

CONFERENCE PROGRAMME

3rd edition

Preconference Workshop

Curriculum planning: introducing mind-body and alternative medicine into the medical curriculum
Moderator: **Aviad Haramati**

Sunday March 23,
15:00-18:00, Dragan Hall

Monday March 24

8:30-	REGISTRATION		
9:10-9:30	OPENING - Markus Raisz Location: Main Lobby, Ground/first floor Building		
9:30-11:00	PLENARY: Vienna Research DEVELOPMENTS IN MEDICAL EDUCATION Location: Aula Magna Chair: R. Marz, M. Raisz Speakers: R. Galanter-Lieber , Chairmen of Medical Universities in turbulent times R. Marz , Models of Curriculum Development M. Raisz , TBM		
11:00-11:30	COFFEE BREAK		
11:30-12:30	Session 1 CURRICULUM DEVELOPMENT		
	Workshop 1 Old things taught new: the case of clinical anatomy C. Szek, N. Haramati, P. Albusz Location: Ignace Hall	Workshop 2 Flipping the Classroom: Integrating case-based teaching into the preclinical curriculum A. Haramati, D. Marlean Location: Dragan Hall	Workshop 3 Always fit: How does technology in medical education fit into the curriculum? M. Kennward, B. Timar Location: Room 209
12:30-14:30	LUNCH Location: Lobby, 1st floor, Main Building		
14:30-15:30	PLENARY: ASSESSMENT Location: Aula Magna Chair: S. Dragan, D. Taylor Speakers: E. Petrusca , Learner assessment - more than data A. Hoffmann , Perspectives of students' assessment		
15:30-16:00	COFFEE BREAK		
16:00-18:00	Session 2 CHALLENGES IN DESIGNING AND INTERPRETING ASSESSMENT		
	Workshop 1 Designing and Interpreting OSCEs M. Himmelsauer, S. Dragan Location: Brancusi Hall	Workshop 2 Keeping track of integrated assessment E. Petrusca, M. Focsa Location: Room 209	Workshop 3 Improving MCQs A. Haramati, C. Labucanu M. Dartan Location: Despretil Hall
9:00-18:00	TIMED EXPO 2014		

Tuesday March 25

9:00-10:00	Session 3 THE STUDENT AS TEACHER AND MENTOR Location: Aula Magna Chair: D. Tabak, A. E. Eadie SHORT PRESENTATIONS BY STUDENT TUTORS		
10:30-11:00	COFFEE BREAK		
11:00-12:30	GUIDED POSTER SESSION LOCATION: Sports Hall - short presentations by students - audience vote for 23 best posters - Jury: R. Marz, D. Taylor, A. Hoffmann		
12:00-14:00	LUNCH Location: Lobby, 1st floor, Main Building		
14:00-14:30	Bad Poster Awards (Audience and Jury)		
14:30-15:30	PLENARY: THE PROBLEM OF STRESS Location: Aula Magna Chair: A. Haramati, S. Dragan Speakers: A. Haramati , Coping with Faculty and Student Stress and Burnout: A Role for Mind-Body Medicine Skills D. Taylor , Tackling the cause of the problem		
15:30-16:00	COFFEE BREAK		
16:00-18:00	Session 4 HANDLING STRESS IN MEDICAL EDUCATION		
	Workshop 1 How do medical students cope with stress D. Taylor, V. Savelenco Location: Ignace Hall	Workshop 2 How do medical teachers cope with stress E. Petrusca, A. Hoffmann, L. Dehnen, R. Robinson Location: Dragan Hall	Workshop 3 An Experiential Introduction to Mind-Body Medicine A. Haramati, D. Chiriacu Location: Brancusi Hall
9:00-18:00	TIMED EXPO 2014		

Wednesday March 26

8:30-10:00	PLENARY: RESEARCH IN THE MEDICAL CURRICULUM Location: Aula Magna Chair: R. Marz, F. Bell Speakers: R. Marz , Research-related modules in the Vienna curriculum F. Bell D. Taylor , Research and Scholarship in Liverpool Short lectures followed by discussion		
10:30-10:30	COFFEE BREAK		
10:30-11:30	PLENARY: SIMULATORS IN MEDICINE Location: Aula Magna Chair: E. Petrusca, M. Banea Speakers: M. Banea D. Sandulescu , Pushing by research M. Lazarovici , The role and place of simulation in medical education. From student to specialist Sandulescu , Towards advanced clinical training		
11:30-12:30	Session 5 CLINICAL SKILLS AND SIMILATORS Location: Sports Hall		
	Workshop 1 Simulators for emergency situations D. Petru, F. Orlinoiu, M. Banea	Workshop 2 Simulators for surgery S. Petrusca, V. Marlean, E. Petrusca	Workshop 3 Simulators for clinical diagnosis: cardiology M. Lazarovici, I. Ben
12:30-14:00	CLOSING Location: Aula Magna		

FACULTY

3rd edition

University of Szeged, Faculty of Medicine

- Ferenc Bari** - professor and chairman, Department of Medical Physics and Informatics
- Mihaly Boros** - professor and chairman, Department of Experimental Surgery
- Zoltan Petó** – MD, Head of Emergency Unit

Szeged

Medical University Vienna

- Karin Gutierrez-Lobos** – Associate Professor, Dr.med.univ, Department of Psychiatry and Psychotherapy, Vice-Rector for Education, Gender, and Diversity
- Anita Holzinger** – Associate Professor, Dr.med.univ. MPH, Dept. of Psychiatry and Psychotherapy and Department of Medical Education, Curriculum Coordinator for Dental Medicine
- Richard März** - Associate Professor, PhD, Department of Medical Education (retired)
- Angelika Hofhansl** - MSc, DSc, Master of Medical Education, Department of Medical Education
- Monika Himmelbauer**- PhD, Master of Medical Education, Department of Medical Education
- Markus Kemmerling** - Mag., Department of Medical Education
- Mircea-Constantin Sora** - Associate professor, PhD, Dr.med.univ, Department of Systematic Anatomy

Vienna

University of Liverpool, School of Medicine

- David Taylor** - Reverend Dr. Reader in Medical Education

Liverpool

Georgetown University, School of Medicine

- Aviad Haramati** - Professor, Departments of Physiology & Biophysics and Medicine
-Director, Center for Innovation and Leadership in Education

Washington

Albert Einstein College of Medicine New York

- Nogah Haramati** – Professor Clinical Radiology & Orthopaedic Surgery
Department of Radiology, Montefiore Medical Center

New York

Harvard Medical School, Boston

- Emil R. Petrusa** –PhD, Department of Surgery, Massachussets General Hospital

Boston

Ludwig - Maximilians University Munich,

- Institute for Emergency Medicine and Medical Management
- Marc Lazarovici** - MD, Director of Human Simulation Center

Munich

Gr. T. Popa University of Medicine and Pharmacy Iasi

- Ovidiu Petris** - lecturer, Department of Preventive Medicine

Iasi

Iuliu Hatieganu University of Medicine and Pharmacy Cluj-Napoca

- Valentin Muntean**- Department of Surgery
- Tudor Calinici** - lecturer, Department of Medical Informatics and Biostatistics

Cluj-Napoca

Victor Babes University of Medicine and Pharmacy Timisoara

- Marius Raica** - professor, Head of Histology Department, Rector
- Simona Dragan** - professor, Department of Cardiology, Vice-Rector for Education
- Petru Matusz** – professor, Department of Anatomy, Victor-Rector for Research
- Alexandra Enache** - professor, Dean, Faculty of Medicine
- Cristina Borțun**, professor, Dean, Faculty of Dentistry
- Cristina Dehelean**, professor, Dean Faculty of Pharmacy
- Daniel Lighezan**, professor, President of the Senate
- Danina Muntean**, professor, Department of Physiopathology
- Dorel Sândesc**, professor, Department of Intensive Care
- Florin Cobzariu**, lecturer, Department of Clinical Skills
- Stelian Pantea**, lecturer, Department of Surgery
- Liana Dehelean**, lecturer, Department of Psychiatry
- Dana Chirileanu**, lecturer, Department of Neurology
- Codruta Lazureanu**, lecturer, Department of Morphology
- Vlad Enătescu**, lecturer, Department of Psychiatry
- Mircea Focsa** - lecturer, Department of Medical Informatics
- Mihnea Derban**, assistant professor, Department of Morphology
- Bogdan Timar**, assistant professor, Department of Medical Informatics
- Radu Romoșan**, assistant professor, Department of Psychiatry
- Teodora Hoinoiu** – assistant professor, Department of Microsurgery
- Bogdan Hoinoiu** - DVM, Coordinator, Animal Facility at "Plus Branzeu" Center for Experimental Medicine

Timisoara
