Curriculum Vitae Europass

Personal information

Surname / First name	**Suciu Liana**
E-mail	suciu.liana@umft.ro
Nationality	Romanian

Education and training

Period	2024–present
Qualification / diploma awarded	Clinical Pharmacy specialist pharmacist, confirmed by Ministry of Health Order No. 6157 of 19 December 2024
Period	2018-2021
Qualification / diploma awarded	Resident in Clinical Pharmacy
Principal subjects studied/competentele profesionale dobandite	Pharmacology, Pharmacotherapy, Pharmacoeconomics, Pathology, Bioethics, Biopharmacy, Pharmaceutical Legislation Medical Skills
Name and type of educational institution or training provider	Ministry of Health and University of Medicine and Pharmacy "Victor Babeș" Timișoara
Period	2008-2013 Studii doctorale
Qualification / diploma awarded	Doctor of Medical Sciences, awarded the distinction “Magna cum laude”
Principal subjects studied/competenţele profesionale dobândite	PhD thesis title: “A pharmacoeconomic study of antihypertensive medication in patients with essential hypertension”, supervised by Mrs. Professor Mirela Tomescu, MD, PhD, Medical Semiology 2, Department V (Internal Medicine I), “Victor Babeș” University of Medicine and Pharmacy, Timișoara. The study evaluates patients’ responses to three types of antihypertensive medication and predicts the number of life-years gained through treatment. Cardiovascular risk in the study cohort was also reassessed using network analysis.

Name and type of educational institution or training provider	"Victor Babeș" University of Medicine and Pharmacy, Timișoara, Romania
Period Qualification / diploma awarded Principal subjects / occupational skills covered	2011-2012 Master's Degree Master's degree Research topic: "Evaluation of long-term erdosteine therapy in elderly patients with chronic obstructive pulmonary disease"; in-depth study of conditions specific to older adults and identification of ways to improve medication adherence. Master's programme supervisor: Professor Carmen Cristescu, PhD, Pharmacology–Clinical Pharmacy Department, Faculty of Pharmacy, "Victor Babeș" University of Medicine and Pharmacy, Timișoara.
Numele si tipul institutiei de invatamant/furnizorului de formare	"Victor Babeș" University of Medicine and Pharmacy, Timișoara, Romania
Period	2002-2005 Resident pharmacist in the specialty of General Pharmacy
Calificarea/diploma obţinuta	General Pharmacy specialist pharmacist, confirmed by Ministry of Health Order No. 440/2005
Principal subjects studied	Pharmacology, Pharmaceutical Technology, Pharmaceutical Management and Marketing
Name and type of educational institution or training provider	"Victor Babeș" University of Medicine and Pharmacy, Timișoara
Period	1995 - 2000 Faculty of Pharmacy
Qualification / diploma awarded	Bachelor's degree in Pharmacy
Name and type of educational institution or training provider	"Victor Babeș" University of Medicine and Pharmacy Timișoara (Faculty of Pharmacy) Eftimie Murgu Square, no. 1–3, Timișoara, Romania

Professional experience

Period	2026 - present
Position held	Associate Professor, Department of Pharmacology, Physiology and Pathophysiology, Department II, Faculty of Pharmacy, "Victor Babeș" University of Medicine and Pharmacy, Timișoara Designing, developing and teaching lectures and practical classes in General Pharmacology, Pharmacology–Pharmacotherapy, Professional Skills in the Medical and Pharmaceutical Field, and Therapy in Extreme Age Groups for Faculty of Pharmacy students in Romanian- and French-taught programmes, as well as students in the short-cycle Pharmacy Assistant programme in Deva. Designing, developing and teaching lectures and practical sessions in postgraduate master's programmes (Pharmacovigilance and Clinical Trial Monitoring).
Period	2024-2026,

Position held	Lecturer, Department of Pharmacology, Physiology and Pathophysiology, Department II, Faculty of Pharmacy, "Victor Babeș" University of Medicine and Pharmacy, Timișoara Designing, developing and teaching lectures and practical classes in Pharmacology, Pharmacotherapy and Professional Skills in the Medical and Pharmaceutical Field for students across the Faculty of Pharmacy's programmes. Supervision of undergraduate and master's dissertations.
Period	2020 - 2024
Position held	Lecturer, Pharmacology–Pharmacotherapy Department, Department II, Faculty of Pharmacy, "Victor Babeș" University of Medicine and Pharmacy, Timișoara
Main activities and responsibilities	Conceptualization, formulation and teaching of courses of Pharmacology, Pharmacotherapy, Professional Competences in the medical-pharmaceutical field for students of different study formations within the Faculty of Pharmacy Coordination of laboratory activities in the disciplines of Pharmacology, Pharmacotherapy, for students of the third, fourth and fifth years, within the various teaching programs of the Faculty of Pharmacy, with practical applications that integrate the previous or concomitant interdisciplinary, medical notions (anatomy, physiology, pathophysiology, semiology and pathology) Teaching the notions of general and special pharmacology, pharmacotherapy, with the acquisition of theoretical knowledge through practical applications (simulation of mechanisms of action through computer programs, analysis of medical prescriptions, interactive questions and role plays) Advising students as year coordinator on their academic and extracurricular activities. Coordination of bachelor's and dissertation works for students and master's students Research activity oriented to the field of the discipline, carried out in collaboration with the members of the discipline or through interdisciplinary collaborations, materialized through scientific papers and submissions of research projects
Name and address of employer	"Victor Babeș" University of Medicine and Pharmacy Timișoara, P-ța Eftimie Murgu, nr.1-3, Timișoara, Romania
Period	2005 - 2020
Position held	Professor Assistant, Pharmacology–Clinical Pharmacy, Faculty of Pharmacy, Department II, "Victor Babeș" University of Medicine and Pharmacy, Timișoara

Main activities and responsibilities	Coordinating the activities of the Pharmacology and Clinical Pharmacy laboratories for the students of the Faculty of Pharmacy Teaching the notions of general and special pharmacology, through practical applications (simulation of the mechanisms of action through computer programs, analysis of medical prescriptions, interactive questions and role plays) ; Research activity oriented to the field of the discipline, carried out with the members of the discipline and external collaborations materialized through scientific papers and project submissions Involvement in the students' activity by participating in student competitions (Patient Communication Contest)
Name and address of employer	"Victor Babeș" University of Medicine and Pharmacy, Timișoara
Period	2002 - 2005
Position held	Professor Assistant, Pharmacology–Clinical Pharmacy, Faculty of Pharmacy, "Victor Babeș" University of Medicine and Pharmacy, Timișoara
Main activities and responsibilities	Conducting practical Pharmacology classes for students of the Faculty of Pharmacy, Department II, "Victor Babeș" University of Medicine and Pharmacy, Timișoara.

Personal skills and competences

Foreign languages

Self-assessment	**Understanding**				**Speaking**				**Writing**	
European level (*)	Listening		Reading		Spoken interaction		Spoken production			
English	B 2	Independent user	C 1	Experienced user	B 2	Independent user	B 2	Independent user	C 1	Experienced user
French	B 2	Independent user	B 2	Independent user	B 2	Independent user	B 2	Independent user	B 2	Independent user

Social skills and competences	Listening skills, empathy and interest, interpersonal skills in working with colleagues and students, teamwork, thoroughness and efficiency.

Organisational skills and competences	Decision-making, analytical and coordination skills.
Computer skills and competences	Microsoft Office
Driving licence	B
Additional information	Membership of professional organisations • Member of the Timiș College of Pharmacists • Member of the Romanian Society of Pharmaceutical Sciences • Member of the Romanian Society of Clinical Pharmacy Scientific achievements include full-length articles and abstracts published in national and international journals, as well as participation in national and international scientific events. The most relevant publications illustrating the scientific activity are listed below.

Conf.univ.dr.farm. Suciu Liana

Selected publications relevant to professional activity
