Dr. Janez Zabkar

R&D engineer
Research and development in the field of laser sources, nonlinear optics, laser-tissue interaction
Fotona d.d., Ljubljana, Slovenia

Prof. Dr. Denise Maria Zezell

Centro de Lasers e Aplicacoes-CLA, Instituto de Pesquisas Energeticas e Nucleares-IPEN,
Sao Paulo, Brazilia

Language: English

Period: September 2010 - June 2012

Maximum number of accepted participants: 10

Place: University of Medicine and Pharmacy Victor Babes Timisoara

Structure: 10 Study modules (see table).

MODULES

- I:** *Optics*
- II:** *Physics of lasers*
- III:** *Interaction laser-tissues*
- IV:** *Laser Safety and Properties of lasers*
- V:** *Lasers conservative dentistry and Laser in caries prevention*
- VI:** *Lasers and endodontics*
- VII:** *Laser in Oral Surgery; Periodontics and Implantology*
- VIII:** *Low-Level Laser Therapy; Jurisprudence and Practice Management*
- IX:** *Master Thesis (research in labs; redaction of paper to publish, MT defense)*
- X:** *Clinical training (University hospitals)*

International Diploma, double degree, the Master Program being in accordance with the educational program EMDOLA (European Master Degree in Oral Laser Applications), together with other 6 European Universities:

University of Liège (Belgium)

University of Nice (France)

University of Aachen (Germany)

University of Parma (Italy)

University of Barcelona (Spain)

University "La Sapienza" of Rome (Italy)

Methodology for the Organization and Development of the Admission Contest 2010 in the program for Master Studies

The methodology for the organization and development of the admission contest for the University year 2010 – 2011, was conceived under:

- The law of Education no. 84/1995, republished, with the subsequent modifications and addenda;
- Laws no. 288/2004 regarding the University studies with the subsequent modifications and addenda;
- On the basis of H.G. no. 404/2006 regarding the organization and development of University studies of Major
- The decision of the Senate of the Victor Babes University of Medicine and Pharmacy, Timisoara.

For further details please visit www.umft.ro

ADMISSION AT THE UNIVERSITY MASTER STUDIES

The University Master Studies guarantee the specialization in the field or extension and perfection of the attested training by the license diploma, and the graduates receive the **Diploma of the University of Medicine and Pharmacy Victor Babes Timisoara and the Diploma of European Master.**

The Master programs can circulate according the decision of the Executive Office of the Senate of „Victor Babes” University of Medicine and Pharmacy.

ORGANIZATION NORMS AND GENERAL CRITERIA OF ADMITTANCE

Master admittance contest is organized by the University in accordance with the present methodology and the Minister's Order that will be made aware to those interested by posting it on the University website www.umft.ro

The admittance for the University Master Studies is regularly organized for each program or by programs similar to the curricular area.

The admittance of the candidates at the University master studies, regardless of the education form it is organized in, is done by contest.

The Admittance Contest is organized and it takes place at the beginning of the Master Program, regularly in September.

Minimum admittance mean is 5 (five).

GENERAL TERMS FOR CONTEST REGISTRATION

To the master admittance contest can register – Romanian and foreign citizens, graduates and with a license diploma or it's correspondent, regardless of the number of years of study, institute and year in which the candidate obtained the license diploma or it's correspondent.

FOR REGISTRATION IN THE ADMITTANCE CONTEST THE FOLLOWING PAPERS ARE MANDATORY:

1. a dossier + 20 A4 pages
2. standard request – that will be recorded at the Registry Office „Victor Babes” University of Medicine and Pharmacy in Timisoara
3. personal registration file that is published on the University site www.umft.ro
4. legalized copies (at the notary) of the following papers:
 - Baccalaureate diploma 1 copy
 - Birth certificate 1 copy
 - Diploma of Faculty graduation * 1 copy
 - Appendix to the diploma 1 copy
 - marriage certificate (if case) 1 copy
5. curriculum vitae
6. copies of possible certificates, diplomas, awards obtained
7. receipt proving the payment of the registration fee
8. the registration fee is to be paid at the University Pay Office
9. copy of the ID card
10. 2 photos identification card like
11. medical certificate (capable to study) from the family physician

*The graduates of year 2010 can register with the Temporary Certificate of Graduation, and in the following 12 months to hand in the Graduation Diploma for the file completion.

The children of didactic staff are one time free from paying the registration fee at the master admittance contest (conf of the Order no. 3.331 in 4 March 2009). For this they would have to hand in for the registration file a certificate from the mother's or father's work place in order to confirm this.

False declaration is punished in accordance with ART 292 of the Penal Code.

Registration period: 25 August 2010 – 6 September 2010

The admittance contest consists of:

Interview with each candidate.

There will be tested:

- a. motivation of this master studies program choice, based on subsequent concerns in the field (egg. license papers, doctoral dissertation in a similar field),
- b. linguistic communication competence (English), on a scientific theme proposed by the candidate (eg. from the candidate's license thesis or the doctoral dissertation).

CONTEST DEVELOPMENT

The admittance contest will take place in **9 September 2010**.

The contest development program is posted on the University website www.umft.ro in the Master Studies section, at later the day before the day the contest begins, indicating the name of the test in the contest, date and time of it's beginning, period of occurrence, candidates distribution in course rooms.

CONTEST RESULTS

The results at the admittance contest, are brought to the contestants awareness by posting them at the headquarters of the institution that organizes the contest and on the web page in at most 48 hours from participating in the contest, there is a period of 24 hours from posting the results for presenting the litigations, that will be solved in 48 hours from the end of the process of presenting them. Possible litigations are to be brought to the Secretariat, Room 47. Candidates that are declared admitted will hand in, in a period of 48 hours from posting the results, the confirmation fee (matriculation) of 100 lei.

A copy of the receipt released by the University pay office is to be handed in at the Secretariat of the Master Department in order to be put on the spot. If the copy of the confirmation receipt (matriculation) is not brought in time, this means that the candidate has given up the spot obtained by contest.

The matriculation of the candidates admitted is done by the decision of the Victor Babes University of Medicine and Pharmacy of Timisoara Rector with the engagement of the students admitted to sign a contract of University Master Studies.

If some candidates renounce the quality of being a students by not paying the confirmation fee (matriculation), the spots that become vacant are to be occupied by other contestants with the mean over 5 (five) based on an individual request handed in during the period 11-12 September 2010 between the hours 9.⁰⁰ -14.⁰⁰ at the Master Department Secretariat room 47. If there are many requests brought then are vacant spots, the filling of the vacant spots will be done in the order of the admittance mean obtained at the admittance contest.

The papers of the rejected candidates will be returned to the contestants, at their request.

The tuition taxes, of registration in the admittance contest and of confirmation/matriculation for the candidates declared admitted are the following:

- **the tuition fee is of 3500 euro/year**
- **the registration in the admission contest fee is 200 lei**
- **the confirmation/matriculation fee for the contestants declared admitted is 100 lei**
