CHAPTER I. General provisions

1. This procedure regulates the process of completing doctoral studies within the Organizing Institution of Doctoral Studies - "Victor Babeș" University of Medicine and Pharmacy in Timișoara (hereinafter referred to as IOSUD-UMFVBT) and is developed in accordance with the following provisions legislation:

National education law no. 1/2011, with subsequent amendments and completions

GD 681/2011 - Code of doctoral studies, with subsequent amendments and completions

The methodology for evaluating doctoral theses approved by the Order of the Ministry of Education and Research no. 5229 of 17 August 2020

Methodology for completing doctoral studies at the "Victor Babeș" University of Medicine and Pharmacy in Timișoara (UMFVBT).

2. The doctoral studies are completed by the public defense of the doctoral thesis.

3. The doctoral student is the author of the doctoral thesis and assumes the correctness of the data and information presented in the thesis.

4. The doctoral supervisor is responsible together with the author of the thesis for the observance of the quality standards or of professional ethics, including the assurance of the originality of the content.

CHAPTER II. Steps preceding the defense of the doctoral thesis

Stage 1. Verification of the phd student's file

1. The doctoral student and the doctoral supervisor will consider the start of the stages for the organization of the public defense of the doctoral thesis in the last year of doctoral studies.

2. In order to start the procedures, at the level of the Doctoral School it is verified that the doctoral student fulfills all the obligations from the doctoral study program and those provided in the study contract, including the financial obligations, if applicable.

3. At this stage, the doctoral file contains the following documents:

- the decision of admission to the doctoral studies program;
- the doctoral studies contract and the additional documents, as the case may be; personal data, except for the name, will not be publicly visible;
- the project supported by the doctoral student at the end of the first year of study and the minutes of the support meeting;
- the reports / stage reports submitted by the doctoral student during the doctoral studies;
- receipts proving the payment of the tuition fee (for doctoral students in the paid form);
- copies of articles published according to the doctoral studies contract.

4. If the doctoral student has fulfilled all the obligations from the doctoral study program and those provided in the study contract, the doctoral school draws up the preliminary report for the public defense of the doctoral thesis. The preliminary report will be attached to the file. The secretary of the Doctoral School notifies the doctoral student and the doctoral supervisor that the procedure for defending the doctoral thesis can be started.

Stage 2. Similarity analysis of the thesis

1. The PhD student will submit to the Secretariat of the Doctoral School an application with a number from the UMFVBT Registry and with the opinion of the doctoral supervisor, and for the doctoral theses in cotutela, with the opinion of the doctoral supervisor and of the joint doctoral supervisor (Annex 1), accompanied by the doctoral thesis in electronic format in order to carry out the similarity analysis with the help of a program recognized by CNATDCU.

The duration of verification may not exceed 30 days from the date of submission of the doctoral thesis to the secretariat of the Doctoral School. The doctoral school may additionally request the use of a nationally developed programme on the detection of similarities.

2. The PhD student will send the phd thesis in electronic format - the word version without the chapter Bibliography and Annexes on the address evb@umft.ro or will submit it to the cam. 316 of UMFVBT and will receive in electronic and printed format the Similarity Report (synthesis of the thesis evaluation with the anti-plagiarized program www.sistemantiplagiat.ro, program included on the list of those recognized by CNATDCU) that it will send to the doctoral supervisor(s).

3. The similarity report(s) shall be included in the doctoral file. In the conditions of the presence of unauthorized loans above the values of the indicators considered by the system as "plagiarism", the Doctoral student together with the doctoral supervisor will perform the correction of the thesis that will be sent back for re-evaluation in order to elaborate the complete Similarity Report.

4. The doctoral supervisor(s) confirm by signature the receipt of the (complete) Similarity Report and of the Report of the control of the originality of the doctoral thesis, documents that will be included in the doctoral file.

Stage 3. Pre-defending the thesis

1. If the doctoral student has fulfilled all the obligations from the doctoral study program and those provided in the study contract, the pre-defense of the doctoral thesis can be organized. The doctoral student will submit to the Doctoral School Secretariat an application number from the UMFVBT Registry (Annex 2) for the start of the evaluation procedures by the Guidance Commission, in order to submit the thesis with the doctoral supervisor's approval, and for co-supervised doctoral theses, with the approval of the doctoral supervisor and the co-supervised doctoral supervisor.

2. After this pre-presentation, which may be public, the doctoral supervisor and the steering committee decide on the official submission of the thesis and the organization of the public defense. For co-supervised doctoral theses, the doctoral supervisor, the co-supervised doctoral supervisor and the guidance committee decide on the official submission of the thesis and the organization of the public support (Annex 3).

Stage 4. The scientific approval of the doctoral thesis

1. The doctoral school submits the doctoral thesis for analysis to the Director of the Doctoral School. It approves the fulfillment of the criteria of the doctoral thesis.

2. The CSUD Director appoints two members of the Doctoral Studies Council from or from the Doctoral Schools Councils to endorse the scientific quality of the doctoral thesis.

3. The form signed by the appointed members regarding the Scientific Opinion regarding the doctoral thesis will be submitted to the CSUD director.

4. The appointed members, within 5 days, communicate the assessment regarding the defense of the doctoral thesis and of the published articles. Following the answers, the CSUD Director approves the defense of the doctoral thesis.

Stage 5. Submission of documents in order to publicly defend the doctoral thesis

In order to complete the doctoral file in order to organize the public support, the doctoral student submits to the secretariat of the doctoral school the following documents, in printed and electronic format (PDF):

- scanned copy of the identity document of the doctoral student;
- scanned copy of the doctoral student's birth certificate;
- scanned copy of the marriage certificate, if applicable;

- CV of the doctoral student;
- application for the submission of the doctoral thesis in printed format. For co-supervised doctoral theses, the application will also be signed by the co-supervised doctoral supervisor;
- the doctoral thesis in printed format is submitted in 3 copies in final form. The printed doctoral thesis will be written in B5 format, also called academic or scientific format (B5 Jis - 18.2 / 25.7 cm for cover and B5 ISO - 17.6 / 25 cm for content);
- The acceptance report of the doctoral thesis from the doctoral supervisor (s);
- the approval of the guiding commission in order to submit the doctoral thesis to the Doctoral School Secretariat;
- Summary of the doctoral thesis in Romanian and English in printed and electronic format (two separate files) (Annex 8);
- the declaration signed by the doctoral student and the doctoral supervisor regarding the assumption of responsibility regarding the assurance of the originality of the content of the doctoral thesis, as well as the observance of the quality and professional ethics standards, according to art. 143 para. (4) and art. 170 of the National Education Law no. 1/2011, with subsequent amendments and completions, and of art. 65 para. (5) - (7) of the Code of doctoral studies, approved by Government Decision no. 681/2011, with subsequent amendments and completions;
- at least one similarity report which will include the resolution of the PhD supervisor and, where applicable, of other persons who have analyzed the report;
- the declaration of the doctoral student regarding his / her options regarding the publication of the doctoral thesis on the national platform, in accordance with the provisions of the Government Decision no. 681/2011 on the approval of the Code of doctoral studies, with subsequent amendments and completions (Annex 9).

Stage 6. Doctoral commission

1. In order to publicly defend the doctoral thesis, a commission of specialists is set up, called the Doctoral Commission. It is proposed by the PhD supervisor, approved by the CSD Director and the CSUD Director (Annex 5).

The composition of the commission will be submitted for approval to the Board of Directors of UMFVBT.

2. The doctoral committee is composed of at least 5 members:

- the President, as a representative of IOSUD-UMFVBT,
- the doctoral supervisor
- at least 3 official references, from the country or from abroad, specialists in the field in which the doctoral thesis was elaborated and of which at least 2 carry out their activity outside IOSUD-UMFVBT.

3. The members of the doctoral commission have the title of doctor and have at least the didactic function of associate professor or second degree scientific researcher or have the quality of doctoral supervisor, in the country or abroad.

4. In the case of the doctorate in co-tutoring, the commission for the public defense of the doctoral thesis is composed of 6 members:

- the President, as a representative of IOSUD-UMFVBT,
- PhD supervisor, co-supervised PhD supervisor,
- at least 3 official references, from the country or from abroad, specialists in the field in which the doctoral thesis was elaborated and of which at least 2 carry out their activity outside IOSUD-UMFVBT, one member being obligatory holder at the institution with which it was carried out cotutela (Annex 6).

5. If one of the official references in the doctoral committee becomes unavailable, it can be changed at the proposal of the doctoral supervisor and with the approval of the CSUD Director of IOSUD-UMFVBVT.

Step 7. The following documents will be attached to the doctoral file

- the decision to appoint the commission for public defense of the doctoral thesis;
- the reports of the official references, members of the doctoral commission, signed by them, in the form of scanned copies or electronically signed documents;
- CVs of the members of the doctoral commission;
- certificate regarding the submission of a copy of the doctoral thesis at the UMFVBVT library;
- the announcement for the public defense of the doctoral thesis, prepared by the Doctoral School at least 20 calendar days before the proposed date for the defense. It will necessarily include the date, location and time of the dissertation, the doctoral supervisor (s), as well as the place where the full text of the thesis can be consulted in printed format.

Stage 8. Submission of the application for the doctoral thesis

The request for setting the date for the public defense of the doctoral thesis (Annex 4) will be approved by the doctoral supervisor and the chair of the support committee. For co-supervised doctoral theses, the request for setting the date for the public defense of the doctoral thesis will be endorsed by the doctoral supervisor, the co-supervised doctoral supervisor and the chair of the support committee. This request shall be submitted to the Doctoral School Secretariat at least 20 calendar days before the proposed date for public support.

CHAPTER III. Public defense of the doctoral thesis

Stage 9. Public defense of the doctoral thesis

1. The organization of the meeting for public defense of the doctoral thesis can be started by the secretariat of the Doctoral School only after receiving the evaluation reports of the doctoral supervisor (s) and of the official references.
2. The public support is approved by the director of CSUD, after which the secretariat of the Doctoral School will post the announcement on the UMFVBVT website
3. It is mandatory that the chairman of the doctoral committee, the doctoral supervisor (s) and at least 2 official references be present at the public defense of the doctoral thesis.
4. CHAPTER IV. Analysis of the doctoral thesis within CNATDCU

Stage 10. Analysis of the doctoral thesis within CNATDCU

1. The doctoral thesis and its annexes, in electronic format, are signed with qualified / advanced electronic signature by the persons designated by IOSUD-UMFVBT and are uploaded on the national platform in PDF format in which the main text is represented as such, and not through images. Audio, video or graphic illustrations may be an exception to this rule.
2. CNATDCU, following the evaluation of the doctoral file, proposes to the Minister of Education and Research the granting or non-granting of the doctoral title. The doctoral title is awarded by order of the Minister of Education, after the validation of the doctoral thesis by CNATDCU.
3. If CNATDCU invalidates the doctoral thesis, IOSUD-UMFVBT will receive from the Ministry of Education a written motivation for invalidation, drafted based on the observations of the specialized commission of CNATDCU. This motivation will be brought to the attention of the author of the

doctoral thesis and his / her doctoral supervisor (s) by the secretariat of the doctoral school. The doctoral thesis can be retransmitted to CNATDCU, through the doctoral school, within one year from the date of invalidation. If the doctoral thesis is invalidated a second time, the doctoral degree will not be granted and the doctoral student will be expelled.

4. The doctoral student will obtain the grade obtained by the doctoral student, respectively Excellent, Very good, Good or Satisfactory. The doctoral degree will also include a mention in Latin, as follows:

- a) for the grade Excellent, the mention *Summa Cum Laude* is written;
- b) for the qualifier Very well the inscription *Magna Cum Laude* is written;
- c) for the qualifier Good the mention *Cum Laude* is written;

CHAPTER V. Final Dispositions

1. The quality of doctoral student student ceases when the doctorate is granted or when the expulsion order is issued.

2. Publicly defended doctoral theses (including their annexes) are public documents. They are published on a platform administered by the Ministry of Education, in compliance with the legislation in force in the field of copyright.

3. The protection of intellectual property rights over the doctoral thesis is ensured in accordance with the provisions of the law.

4. The capitalization of the copyright and / or of the industrial property rights over the original product made within the doctoral university study program is made in accordance with the provisions of the legislation in the field.

5. This Procedure was approved in the meeting of the University Senate on 26.05.2021, the date from which it enters into force.
