Personal Information

Surname / First Name

DUGĂEȘESCU DORINA ILEANA

Address

Romania, Timișoara, Str. Barbu Iscovescu Nr. 6, scB, ap. 15

Telephone

-

Mobile: 0723081380

E-mail

dugaesescu.dorina@umft.ro, dugador06@yahoo.com,

Citizenship

Romanian

Data of birth

-

Sex

Feminin

Targeted occupational area / profession

**University of Medicine and Pharmacy "Victor Babeș" Timișoara
S.C "Centrul de Diagnostic Medical" SRL Timișoara**

Professional experience

Period

04.05.2017 - present

Occupation or position held

Senior physician – Medical Microbiology

Period

27.02.2006 – present

Occupation or position held

Lecturer

Name and address of employer

University of Medicine and Pharmacy "Victor Babeș" Timișoara

Type of activity or sector of activity

Discipline of Microbiology

Period

25.08.2004 – present

Occupation or position held

Senior Physician – Laboratory Medicine

Period

2002 - present

Occupation or position held

Graduation Thesis Coordinator

Name and address of employer

University of Medicine and Pharmacy "Victor Babeș" Timișoara

Type of activity or sector of activity

Discipline of Microbiology

Period

01.11.2002 – 01.07. 2020

Occupation or position held

Medical Specialist / Senior Physician Laboratory Medicine

Name and address of employer

S.C "Centrul de Diagnostic Medical" SRL Timișoara, Medical Analysis Laboratory "Dr. Golea"

Type of activity or sector of activity

Head of the Microbiology Department

Period

15.12.1999 – 25.08. 2004

Occupation or position held

Medical Specialist Clinical Laboratory

Name and address of employer

S.C "Centrul de Diagnostic Medical" SRL Timișoara

Type of activity or sector of activity

From 01.11.2002 – laboratory physician - Microbiology department

Period

01.10.1995 - 27.02.2006

Occupation or position held

University instructor, university assistant

Name and address of employer

University of Medicine and Pharmacy "Victor Babeș" Timișoara

Type of activity or sector of activity

Discipline of Microbiology

Period

31.01.1996 – 15.12.1999

Occupation or position held

Resident physician

Type of activity or sector of activity

Clinical Laboratory specialty: biochemistry, microbiology, parasitology

Period

14.02.1994 – 01.02.1995

Occupation or position held

Intern

Name and address of employer

Spitalul Clinic Nr. 1 Județean, Timișoara

Education and Training

Period

13.01 - 18.02.2022

Qualification / diploma obtained

University lecturer – 30 EMC credits +40 OBBCSSR credits

Main fields studied / acquired skills

Updates in the laboratory diagnosis of bacterial and viral infections. Principles of prophylaxis and treatment

Name and type of educational institution / training provider

University of Medicine and Pharmacy "Victor Babeș" Timișoara, Disciplina de Microbiologie

Period

18.02-26.03.2021

Qualification / diploma obtained	University lecturer – 30 EMC credits +40 OBBCSSR credits
Main fields studied / acquired skills	Updates in the detection and characterization of resistance patterns. Clinical significance. Principles of antibiotic therapy.
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Disciplina de Microbiologie
Period	2020 – 2021 sem I year II
Qualification / diploma obtained	University lecturer – Master course
Main fields studied / acquired skills	Section „Modern application of laboratory medicine in medical act personalization (AMMLPAM)”
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Disciplina de Studii Masterale
Period	Discipline – Advanced techniques in microbiology and virology 09.10.2020
Qualification / diploma obtained	Member of the Commission for the resolution of appeals in support of the selection process for the position of laboratory assistant for an indefinite period in the Discipline of Microbiology
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Disciplina de Microbiologie
Period	2019 – 2020 sem I year II
Qualification / diploma obtained	University lecturer – Master course
Main fields studied / acquired skills	Section „Modern application of laboratory medicine in medical act personalization (AMMLPAM)”
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Master’s Degree studies
Period	Discipline – Advanced techniques in microbiology and virology 17.02 – 28.03.2020
Qualification / diploma obtained	University lecturer – 30 EMC credits +40 OBBCSSR credits
Main fields studied / acquired skills	”Updates in the etiology and diagnosis of infectious diseases” – postgraduate course
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Discipline of Microbiology
Period	14.02-08.03.2019
Qualification / diploma obtained	University lecturer – 30 EMC credits
Main fields studied / acquired skills	”The role of the microbiology laboratory in IAAM prevention” – postgraduate course
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Discipline of Microbiology
Period	26.06.2018
Qualification / diploma obtained	Member in the Commission for the promotion of the university assistant competition, position 16, Speciality Micrbiology-Virology, determined period within the Department XIV
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Disciplina de Microbiologie
Period	08-30.03.2018
Qualification / diploma obtained	University lecturer – 30 EMC credits
Main fields studied / acquired skills	”Interpretative reading of antibiograms” – postgraduate course
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Discipline of Microbiology
Period	10.03 – 01.04.2017
Qualification / diploma obtained	University lecturer – 30 EMC credits
Main fields studied / acquired skills	”Updates in the microbiological diagnosis” – postgraduate course
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Discipline of Microbiology
Period	06-28.03.2015
Qualification / diploma obtained	University lecturer – 40 EMC credits
Main fields studied / acquired skills	”Updates in clinical microbiology” – postgraduate course
Name and type of educational institution / training provider	University of Medicine and Pharmacy “Victor Babeş” Timișoara, Discipline of Micrbiology
Period	01.-05.10.2012

Qualification / diploma obtained	University lecturer – 30 EMC credits																															
Main fields studied / acquired skills	"Nosocomial infections – surveillance and control" – postgraduate course																															
Name and type of educational institution / training provider	University of Medicine and Pharmacy "Victor Babeş" Timișoara, Discipline of Microbiology																															
Period	01 – 03.09.2009																															
Qualification / diploma obtained	University lecturer – 18 EMC credits																															
Main fields studied / acquired skills	"Study of mechanisms of resistance to nosocomial and community germs in automatic identification systems and antibiogram" – postgraduate course																															
Name and type of educational institution / training provider	University of Medicine and Pharmacy "Victor Babeş" Timișoara, Discipline of Microbiology - Virology																															
Period	26 – 30.05.2008																															
Qualification / diploma obtained	University lecturer – 14 EMC credits																															
Main fields studied / acquired skills	"Updates in the etiology and diagnosis of nosocomial infections" – postgraduate course																															
Name and type of educational institution / training provider	University of Medicine and Pharmacy "Victor Babeş" Timișoara, Discipline of Microbiology - Virology																															
Period	28.05 – 01.06. 2007																															
Qualification / diploma obtained	University lecturer – 13 EMC credits																															
Main fields studied / acquired skills	"Updates in the treatment of infections caused by germs with nosocomial potential. New classes of antimicrobial agents" – postgraduate course																															
Name and type of educational institution / training provider	University of Medicine and Pharmacy "Victor Babeş" Timișoara, Discipline of Microbiology																															
Period	1998 - 2004																															
Qualification / diploma obtained	Doctor of Medicine, 300 EMC credits																															
Name and type of educational institution / training provider	University of Medicine and Pharmacy "Victor Babeş" Timișoara																															
Period	1987 - 1993																															
Qualification / diploma obtained	Doctor's degree – physician																															
Main fields studied / acquired skills	General Medicine																															
Name and type of educational institution / training provider	University of Medicine and Pharmacy "Victor Babeş" Timișoara																															
Period	1980 - 1984																															
Qualification / diploma obtained	High school diploma																															
Main fields studied / acquired skills	Mathematics – Physics profile																															
Name and type of educational institution / training provider	"Constantin Diaconovici Loga" High School Timișoara																															
Personal skills and competences																																
Native language	Romanian																															
Spoken foreign languages	English																															
Self-assessment	<table border="1"> <thead> <tr> <th colspan="4">Comprehension</th> <th colspan="4">Oral</th> <th colspan="2">Written</th> </tr> <tr> <th colspan="2">Listening skills</th> <th colspan="2">Reading skills</th> <th colspan="2">Interaction</th> <th colspan="2">Expression</th> <th colspan="2"></th> </tr> </thead> <tbody> <tr> <td>B2</td> <td>Independent use</td> <td>B2</td> <td>Independent use</td> <td>B1</td> <td>Independent use</td> <td>B1</td> <td>Independent use</td> <td>B1</td> <td>Independent use</td> </tr> </tbody> </table>		Comprehension				Oral				Written		Listening skills		Reading skills		Interaction		Expression				B2	Independent use	B2	Independent use	B1	Independent use	B1	Independent use	B1	Independent use

Social skills and competences	Conscientious, persevering, ambitious. Interpersonal communication skills																															
Computer skills and knowledge	Knowledge in operating Microsoft Windows XP, good command of Microsoft Word, Microsoft Excel, Microsoft Powerpoint																															
Technical skills and competences	Competences in microbiological laboratory techniques (Bacteriology, Virology, Mycology, Parasitology)																															

Additional Information

Doctoral thesis "Studiu comparativ al rezistenței la chimioterapicele antiinfecțioase a tulpinilor microbiene izolate din mediul spitalicesc și ambulatoriu" defended in 2004,
- Member:
1. CNCSIS Grant 42612/2000, financed by the World Bank and the Government of Romania:
"Monitorizarea rezistenței dobândite la antibiotice a tulpinilor microbiene cu potențial nosocomial izolate din spitalele clinice universitare": 2001 – 2002.
2. Research project with SC Bioclinica SA, no. 2373 / 27.02.2015 entitled "Trendul multirezistenței tulpinilor microbiene izolate din uroculturi in mediul comunitar"
- Lecturer of 11 postgraduate courses organized by UMFVBT, Discipline of Microbiology-Virology
- Participation in over 20 national and international conferences / workshops
- University lecturer in the study cycles: Master, Discipline of advanced techniques in microbiology and virology
- Participation in over 25 postgraduate courses
- Member of the examination commission for the position of assistant professors, laboratory workers within the Discipline of Microbiology-Virology

Annexes

List of papers published in extenso and in summary in specialized journals
List of courses and teaching materials for students
List of graduation thesis coordinator
List of papers presented at the sessions of scientific communication, national and international congresses
Diplomas obtained and certificates of participation in scientific events

Timișoara
