Personal Information

Name **MILOȘ IOANA NATALIA**
 Address University of Medicine and Pharmacy „Victor Babeș” Timișoara – Department of Endocrinology, P-ța Eftimie Murgu nr.2, 300041 Timișoara
 E-mail milos.ioana@umft.ro

Work experience

- Specialized medical activity in endocrinology, in university clinic and outpatient clinics; competence in thyroid ultrasound.
- Teaching activity with medical students and resident doctors (practical courses, case studies and news in endocrinology, postgraduate courses). Writing courses for students and residents, monographs, guidance of bachelor (diploma) final papers.
- Medical - clinical and laboratory research activity; experience in molecular-genetic diagnostic techniques; experience in working with an international registry of patients with genetic diseases; collaboration with national and international research teams, materialized in publications and scientific reports at medical conferences.

Period 02/2009 – 11/2010
09/2016 - present

Occupation or position held **Assistant Professor** at Department of Endocrinology

Main activities and responsibilities • Teaching and research activity

Name and address of the employer *University of Medicine and Pharmacy „Victor Babeș” Timișoara*

Period 04/2015 - present

Occupation or position held **Senior consultant** in Endocrinology

Main activities and responsibilities • Specialized medical activity in private outpatient clinic of endocrinology

Name and address of the employer *PFI Miloș Ioana Natalia – medic*
- collaboration contracts with polyclinics from private health networks: Regina Maria (2015-2020), Medicover, Slovenski Med

Period 06/2013 – 07/2014

Occupation or position held **Consultant (Specialist)** in Endocrinology

Main activities and responsibilities • Specialized medical activity in public outpatient clinic of endocrinology

Name and address of the employer *Spitalul Orășenesc Horezu (Horezu City Hospital), jud. Vâlcea*

Period 02/2002 – 01/2009

Occupation or position held **Junior Assistant** at Department of Endocrinology

Main activities and responsibilities • Teaching and research activity

Name and address of the employer *University of Medicine and Pharmacy „Victor Babeș” Timișoara*

Period 08/2007 – 12/2007

Occupation or position held **Guest physician**

Main activities and responsibilities

- clinical and laboratory research activity; experience in molecular-genetic diagnostic techniques: DNA extraction, PCR- based denaturing high-performance liquid chromatography of the RET gene and MEN1 gene
- experience in working with an international registry of patients with genetic diseases: *European–American Pheochromocytoma–Paraganglioma Registry* based in Freiburg
- organization of a worldwide network on a subregister of MEN2 families
- elaboration of a manuscript on patients with one identical germline mutation published in 2008 (ref. 3 in Selected Publications below)

Name and address of the employer *Albert-Ludwigs – Universität Freiburg i.Br., Universitätsklinikum Freiburg, Germany*

Period 09/2006

Occupation or position held **Guest physician**

Main activities and responsibilities

- Research and documentation activities

Name and address of the employer *Heinrich Heine Universität - Universitätsklinikum Düsseldorf, Germany, Department of Endocrinology, Diabetes and Rheumatology*

Education and qualifications

Period 10/2017 – 07/2018

Qualification

- **Pedagogy training – domain Medicine**

Name of the organization providing education and training

- Universitatea de Vest (West University) Timișoara, Departamentul pentru Pregătirea Personalului Didactic

International Standard Classification of Education level

- ISCED 5

Period 06/2016 – present

Title of qualification

- **Senior Consultant Endocrinology** (Ord. MS nr. 985/2016)

Period 10/2005 – 11/2009

Title of qualification

- **PhD Diploma in Medicine**

Title of the thesis: *Diagnostic Criteria, Pathogenesis and Therapeutic Strategies in Pluriglandular Syndromes – Multiple Endocrine Neoplasia, Autoimmune Polyendocrinopathy*, (presented 23rd October 2009)

Name of the organization providing education and training

- University of Medicine and Pharmacy „Victor Babeș” Timișoara

International Standard Classification of Education level

- ISCED 8

Period 03/2007 – 06/2016

Title of qualification

- **Consultant (Specialist) Endocrinology** (Ord. MS nr. 557/2007)

Period 02/2002 – 02/2007

Title of qualification

- **Resident doctor in Endocrinology** (Ord. MS 712/08.06.2004)

Name of the organization providing education and training

- Spitalul Clinic Județean de Urgență (Emergency County Hospital) „Pius Brânzeu” Timișoara

International Standard Classification of Education level

- ISCED 6

Period 10/1995 – 09/2001

Title of qualification

- **Medical doctor – General Medicine**

Name of the organization providing education and training

- University of Medicine and Pharmacy „Victor Babeș” Timișoara
- ISCED 6

Period	09/1990 – 06/1994
Title of qualification	• High-school diploma
Name of the organization providing education and training	• “Colegiul Bănăţean” Timișoara
International Standard Classification of Education level	• ISCED 3
Complementary studies	
Period	02/2016; 04/2016; 02/2016
Competence	Oncologic endocrinology – continuous training course in 3 modules
Name of the organization providing education and training	• University of Medicine and Pharmacy “Carol Davila” București
Period	05-06/ 2011
Competence	• Common competence in Management
Name of the organization providing education and training	• Centrul pentru Educație Economică și Dezvoltare – CEED România
