

Curriculum Vitae

First Name: LAZAR

Last Name: CHISAVU

Address: Romania, Timișoara

Phone: 0040356433433

E-mail: chisavulazar@gmail.com; chisavu.lazar@umft.ro

Date/place of birth: 17.05.1990 – Horezu, Romania

Marital status: married, 1 child

Education:

- 2009 - “ Grigore Moisil” Highschool, Timisoara
- 2015 – “V. Babes” University of Medicine and Pharmacy, Timisoara – Faculty of General Medicine
- 2015-2019 Residency for Nephrology, Timisoara, Romania
- 2017-present – Phd School at University of Medicine and Pharmacy, Timisoara

Professional:

- December 2019 Specialist doctor- Nephrology
- 2018 – asistent professor at Nephrology Discipline - University of Medicine and Pharmacy, Timisoara

Professional affiliation:

1. Member of the Romanian Society of Nephrology
2. Member of the Centre for Molecular Research in Nephrology and Vascular Disease, Romania, Timisoara

Congresses/International Courses participation:

The 16th Bantao Congress- author - Left ventricular structure and function in stable hemodialysis treated patients, a longitudinal multicenter cohort study, Tirana, 29-31 October 2021

The 16th Bantao Congress- coauthor - Liver steatosis predicts better CKD in MAFLD as compared to fibrosis by transient elastography with controlled attenuation parameter, Tirana, 29-31 October 2021

The 16th Bantao Congress- coauthor - Chronic kidney disease in cancer patients, the analysis of a large oncology database from Eastern Europe, Tirana, 29-31 October 2021

58th ERA-EDTA CONGRESS - coauthor: Chronic Kidney Disease In Neoplasia Patients, The Analysis Of A Large Cancer Database –Berlin, June 5-8, 2021

58th ERA-EDTA CONGRESS - coauthor: Acute kidney injury related to endoscopic retrograde colangiopancreatography is associated with increased incidence of in-hospital mortality - June 5-8, 2021

57th ERA-EDTA Congress – coauthor: Association of serum potassium levels with rapid kidney function decline in patients with congenital single kidney – Milano, June 6-9, 2020

57th ERA-EDTA Congress – coauthor: Is there any utility of using a ratio between serum biomarkers and predialysis serum creatinine in eskd patients treated with hemodialysis? - Milano, June 6-9, 2020

56th ERA-EDTA Congress – author: The prevalence of contrast induced acute kidney injury in patients with peripheral arterial disease treated by endovascular procedures - Budapest June 13-16, 2019

56th ERA-EDTA Congress – coauthor: A three year follow-up multicenter study regarding cardiac ultrasound findings and their prognostic value in hd patients - Budapest June 13-16, 2019

The 15th Bantao Congress- author: The cardiac ultrasound prognostic value in HD patients-a three years multicenter follow-up study, 26-29 september 2019

-Nephrocardia National congress- author: Pleural Empiema- a complication of the immunosuppressive treatment in a patient with ANCA anti-MPO Vasculitis- Timisoara, 8-10 November 2018

55th ERA-EDTA Congress – coauthor: Changing the mortality pattern in hemodialysis patients. A multicenter study from an east european country - May 24-27, 2018, Copenhagen

- Iasi Transplant Forum "Right Kidney for the Right Recipient", Iasi 07-08 June 2018

- National Congress of the Society of Diabetes, Nutrition and Metabolic Disease, coauthor- A changing pattern of etiology and mortality in ESKD patients on hemodialysis treatment from the perspective of the diabetologist, 23-26 May 2018 Poiana Brasov

- 55th ERA-EDTA Congress coauthor - Cancer in patients with end stage renal disease dialysis patients: a

prospective study, 24-27 may 2018, Copenhaga

- 55th ERA-EDTA Congress coauthor - Changing the mortality pattern in hemodialysis patients. A multicenter study from an east european country, 24-27 may 2018, Copenhaga
- IPNA Teaching Course - From Pediatric CKD to Kidney Transplantation, 3-4 may 2018, Cluj-Napoca
- IPNA Teaching Course - Personalised Genomics in Pediatric Nephrology: from the lab bench to the bedside, 17-18 november, Bucharest
- National Nephrology Congress, 19-21 october 2017, Bucharest
- Modern medical management conference- nephrology and internal medicine, june 2017;
- 14th Renal Failure Academy 7-8 september 2016
- Interdisciplinary conference NefroCardia 8-10 september 2016 ;
- The 3rd National Congress of Diabetes, Nutrition and Pediatric Endocrinology with international participation coauthor- Epidemiology of Chronic Kidney Disease in Children-Preliminary Results of a National Pilot Study, 12-14 may 2016
- Heart-Healthcare Conference, Education and Research Talks, 8 april 2016;
- Romanian-Hungarian Medical Education Day, Szeged University, 15-17april 2015;
- Summer School – The liver- from function to dysfunction 14-19 july 2014
- Craiova International Medical Students Conference 2012- author - Bronchopulmonary Cancer Complicated With Retrostenotic Abscessed Pneumonia-Clinical Case, 2012
- MEDIS, organising comitee, 17-20 may 2012

International Prizes:

Best abstract at the 16th Bantao Congress- author - Left ventricular structure and function in stable hemodialysis treated patients, a longitudinal multicenter cohort study, Tirana, 29-31 October 2021

Published Work (most significant):

Rapid decline of kidney function in diabetic kidney disease is associated with high soluble Klotho levels. Bob F, Schiller A, Timar R, Lighezan D, Schiller O, Timar B, Bujor CG, Munteanu M, Gadalean F, Mihaescu A, Grosu I, Hategan A, **Chisavu L**, Pusztai AM, Covic A. – Nefrologia may 2019, DOI: 10.1016/j.nefro.2018.08.004

Exploring the relation between mortality and left ventricular structure and function in stable hemodialysis treated patients, a longitudinal multicenter cohort study. Lazar A. Chisavu, Adrian Apostol, Gheorghe N. Pop, Viviana Ivan, Oana Schiller, Flaviu Bob, Luciana Marc, Adelina Mihaescu, Florica Gadalean, Iulia Grosu, Bogdan Timar & Adalbert Schiller. Scientific Reports volume 11, Article number: 12694 (2021)

RAS Inhibition in Haemodialysis Patients Impact on mortality. Adrian Apostol, Lazar Chisavu, Nicolae Albuлесcu, Dana Stoian, Adalbert Schiller. REV.CHIM.(Bucharest)♦70♦ No. 2 ♦2019

Liver Steatosis: Better Predictor of CKD in MAFLD Than Liver Fibrosis as Determined by Transient Elastography With Controlled Attenuation Parameter: Luciana Marc, Adelina Mihaescu, Raluca Lupusoru, Iulia Grosu, Florica Gadalean, Flaviu Bob, **Lazar Chisavu**, Nicu Olariu, Vlad Tucicovschi, Bogdan Timar, Ioan Sporea, Romulus Timar, Adalbert Schiller– Frontiers in Medicine, 2022 Jan 13;8:788881. doi: 10.3389/fmed.2021.788881. eCollection 2021

Voluntary work: involvement in all kind of projects during the student period 2009-2015 in Students Society of Medicine in Timisoara

Foreign language: English C1, French A2.
