Social skills and competences

Pleasant person, I easily relate to those of different professions and nationalities. I come from an area of ethnic and cultural interference, Timisoara. The experience in the field of medicine and especially of occupational medicine and didactic activity allows me to easily adapt to any interlocutor. Participating in international projects has allowed me to have a better relationship with all collaborators. I communicate clearly and precisely, I know how to listen, proving seriousness, integrity, responsibility. I am constantly motivated to make professional contacts with members of the national and international academic scientific community in order to promote European standards for research and education within the UMFVBT.

Organisational skills and competences

Team spirit, fair play, good leader, good organizer. During my secondary education, I became head of department / compartment at the Institute of Hygiene, Public Health, Health Services and Management Bucharest, Medical Centre for Health Services and Management Timisoara, which forced me to work and learn more, to channel the team to new activities that keep the department at a high standard. I can successfully organize a work team, I assume responsibilities, I gladly pass on my experience, I respect the deadlines, I am orderly and systematic. I manage to achieve a balanced and trusting climate in the work group. I am open to new directions of research. I work well even under stress and under time pressure, I manage to mobilize those around me. I respect the work and the quality, the correctness and the punctuality that I demand of the whole team.

Technical skills and competences	<p>We organized in Timișoara 2 symposia "Occupational Medicine in Banat" (2005, 2013), the final international conference of the EMUTOM project (2012, "European Module for Undergraduate Teaching of Occupational Medicine") and two editions of the EASOM Summer School (2013, "Teaching Workplace Health Promotion" and 2016, "Managing & Teaching Workability"). Every year, I am part of the organizing / scientific committee of the national occupational medicine events.</p> <p>I successfully participate in a risk assessment; I use medical equipment specific to occupational medicine but also some instruments and devices specific to occupational / industrial hygiene. I can fix small breakdowns that occur in an office.</p> <p>I am a good clinician, organizer in health, I have a practical spirit and I like to find simple, effective solutions</p>
Computer skills and competences	<p>I am able to operate daily with the Office suite, particularly Word, Excel, Power Point, Internet Explorer. Fast Stone Image Viewer and QuickTime Player I mastered while participating in the NetWoRM project, I can make a short movie.</p>
Artistic skills and competences	<p>I love classical music, but also unaltered folklore. I like to sing with my family or loved ones</p>
Other skills and competences	<p>I like hiking and mountain trails, in unpolluted areas, in nature reserves. I set aside time for study and read.</p>
Driving licence	<p>Automobile (Category B)</p>
Additional information	<p>Participation in NATIONAL SCIENTIFIC RESEARCH PROGRAMS as a member of the research team or as a project director:</p> <p>Contract POSDRU / 135 / 5.2 / S / 126095 - „Human resources development in 19 rural communities” -PSCR2 - PA 11, Păuncu Elena-Ana: occupational medicine expert, social relations specialist, 2015</p> <p>Contract no.
