I COSENZA01:

Exams are certified according to the local grading system, which is a 30-point scale (marks range from 18/30, minimum mark to pass, to 30/30 cum laude), also the ECTS /CFU credits are indicated for the exams passed successfully. Credits reflect the quantity, while grades assess the quality of the completed work. In order to simplify the procedure of comparing and transferring grades, in a transparent way, from the University of Calabria to other European Universities and vice versa, grading tables are used. These include the percentage of students that, over the duration of the degree courses, have received "local grades" for each degree program or group of homogeneous programs offered by exchanging Universities. Grading tables have been organised according to Erasmus general ISCED subject codes.
