

Necessary documents for the enrollment in the academic year 2023/2024

- Years II – VI bachelor's degree study programs
6 years duration of study (360 ECTS)

In order to register, students will come in through student representatives at the secretary's office of the Faculty during working hours: between 12.00-15.00, according to the schedule established by each Faculty, with the following documents:

- the addendum to the bachelor's degree study contract, signed in two copies;
- the medical certificate endorsed by the physician from the UMFVBT Medical Office. For Romanian students, the certificate is issued by the family physician, and for foreign students by the physician of the UMFVBT Medical Office;
- the internship contract and the evaluation of the student's practical activity. These forms, issued to the students by the secretary's offices of the Faculties before the beginning of the internship are filled in by the students, and by the representatives of the healthcare units where the internships took place;
- the student gradebook/ID;
- the transport ID card.

Students who do not register in the academic year until the deadline established by the University management, namely 30 calendar days from the beginning of the academic year, are deemed, ex officio, to have waived the student status by failing to appear, and are expelled for non-registration.
