## Skills Acquired at the Workplace

- - University Assistant:
  - - Permanent collaboration with the course holder
  - - Seminar activities, yearly projects, practical internships
  - - Supervision of projects, bachelor's theses, pedagogical practice, productive research
  - - Execution of scientific research
  - - Monitoring of bibliographic information activity and applied training of students
  - - Conducting teaching activities
  - - Performance evaluation through grades or ratings
- - Medical Resident:
  - - Diagnosing medical problems of patients and designing appropriate management and treatment plans

## Computer Skills

- - Proficient knowledge of Microsoft Office™ tools

## Driver's License

- B
