ABOUT ME

MD, PhD, FEHRA, FESC, FAHA, FHRS

PROFESSIONAL FIELD

Project Implementation Expert - Development of specific working tools and training programs to strengthen the national network of centres of expertise in rare diseases, with the aim of increasing the capacity for integrated patient care - ExpertRARE, SIMS code 348253

As a University Professor and Consultant Physician in Cardiology, I work at a national reference center specializing in complex cardiac diseases, especially complex arrhythmia, also including cardiomyopathies and other complex cardiac pathologies all managed in a multidisciplinary framework - Clinical Emergency Bucharest Hospital. I am deeply involved in the multidisciplinary care of patients with complex arrhythmia and cardiomyopathies and actively contribute to both clinical and educational projects in the field of cardiology. My work supports the development of national expertise through professional leadership, academic research and the training of the next generation of specialists in cardiac diseases, including rare pathologies.

CURRENT POSITION

Professor and Head of Department of Cardiology at Clinical Emergency Bucharest Hospital, "Carol Davila" University of Medicine and Pharmacy, Bucharest

1. Pacing procedures;
2. Interventional Electrophysiology procedures

Coordinator of the Interventional Cardiology Department, Clinical Emergency Bucharest Hospital

Residency Program Coordinator in Cardiology

Vice President of the SCD Prophylaxis Committee of the Ministry of Health

National Program Coordinator, Clinical Emergency Bucharest Hospital

Coordinator for National Certificate of Interventional Electrophysiology

Member of Cardiology Committee of the Ministry of Health

WORK EXPERIENCE

“CAROL DAVILA” UNIVERSITY OF MEDICINE AND PHARMACY, BUCHAREST – BUCHAREST, ROMANIA

PROFESSOR, CARDIOLOGY – 2024 – CURRENT

- Teaching activity of undergraduate medical students (4th and 6th year)
- Teaching and training activity of resident physicians and young specialists (practical demonstrations, minilectures, demonstrations, postgraduate courses, case presentations, news in Cardiology)
- Teaching and Proctorship in Interventional Electrophysiology
- Clinical research activity
- coordinating PhD thesis

– BUCHAREST, ROMANIA

Address “Carol Davila” University of Medicine and Pharmacy, Dionisie Lupu street, No. 37, 020021, Buchare

ASSOCIATE PROFESSOR, CARDIOLOGY – 2019 – 2024
