EBA (UK) – 2026

ISO 9001:2015

ISO 45001:2018

Due to the fact that we have a linear curriculum, incoming students CAN choose subjects from different study years as long as this does not result in a timetable overlap

Clinical rotations

We accept students for clinical rotations in blocks of 4 weeks and depending on the availability of each department. Below you can find the list of departments where we can offer traineeships. Please, note that most departments accept trainees only during certain periods, therefore we cannot sign the traineeship agreement unless we already have the acceptance of the departments.

- Dermatology
- Rheumatology
- Surgery
- Urology
- Oncology
- Emergency (surgical and medical)
- Internal medicine
- ENT
- Neurology
- Obstetrics-gynaecology
- Gastroenterology
- I. C. U.
- Ophthalmology
- Radiology
- Cardiology
- Pneumology
- Pediatrics

Academic calendar

The academic year is divided into 2 semesters: autumn semester approximately October – February, spring semester March – June) .

ISO 9001:2015

ISO 45001:2018

	Students who wish to participate in a study mobility may come either for one semester (autumn/spring) or for the entire academic year. Students who wish to carry out a traineeship can be accepted for a period varying between 60 days and 6 months, depending on the availability of the respective departments (we do not accept students for traineeship between July – September).
Restrictions	• Students should be in the second cycle of undergraduate studies (4th, 5th, 6th year of studies) • Master students – for traineeship • Ph. D. students can be accepted only with the express approval of our Doctoral school and of the Ph. D. supervisor. • We have a limited availability of internship spots • All students must have health insurance and liability insurance
Language requirements	English/French/Romanian B2 <u><i>Read a detailed description of the Common European Framework for Languages (CEFR) on the European Council's webpage</i></u>
Study plan	The study plans are updated every year and are available on our website Faculty of medicine: https://www.umft.ro/ro/facultati/facultatea-de-medicina/fm_oferta_plan-de-invatamant/ Faculty of dental medicine: https://www.umft.ro/ro/facultati/fmd_facultatea-de-medicina-dentara/fmd_oferta_plan-de-invatamant/ Faculty of pharmacy: https://www.umft.ro/ro/facultati/ff_facultatea-de-farmacie/ff_oferta_plan-de-invatamant/

Application procedure	- Students have to be nominated by our partner universities (nominations sent to relint@umft.ro). - Nominated students will be contacted by our university and asked to fill in an application form and submit a proposed learning agreement and a transcript of records. - All learning agreements of incoming students have to be approved by the Institutional Coordinator of the university. - We cannot accept free-movers. - Deadline for an exchange during the first (autumn) semester: 15th May - Deadline for an exchange during the second (spring) semester: 15th November
Housing	As the number of students generally exceeds the supply, we cannot offer university housing for incoming students. Students are encouraged to contact our local Erasmus Student Network and ask for a buddy that can help them with various administrative problems https://forms.gle/8VBQNAyXohSsnNwA7

Additional information

NO TUITION FEE IS TO BE PAID FOR INCOMING EXCHANGE STUDENTS

Erasmus students do not have to pay any tuition fee, however **absences have to be recuperated and they have to pay the same fee as Romanian students for their recuperation.**

Students can receive fee waivers for any means of public transport.

Students who stay for more than 3 months have to get a residence permit from the police.

Students outside the European Union/EEA/CH need a study visa issued by the Romanian consular service of their country of origin.

For any additional information, please do not hesitate to contact the Erasmus Office at relint@umft.ro
