

## **CURRICULUM VITAE**

**Dr. Bogdan Anglitoiu**

### **PERSONAL INFORMATION**

Name and surname: **Bogdan Anglitoiu**

Sex: **Male**

Nationality: **Romanian**

Date of birth: [REDACTED]

Email: [bogdananglitoiu@gmail.com](mailto:bogdananglitoiu@gmail.com)

Current workplace: **Victor Babeş University of Medicine and Pharmacy, Timișoara**

Position: **University Assistant – Department of Orthopedics and Traumatology**

### **PROFESSIONAL EXPERIENCE**

**February 2013 – Present**

**University Assistant – Orthopedics & Traumatology**

Victor Babeş University of Medicine and Pharmacy, Timișoara

Main responsibilities:

- Teaching medical students (lectures, practical classes, workshops)
- Clinical practice and patient care in the Orthopedics Clinic
- Participation in surgical procedures
- Research and scientific activity
- Participation in national and international congresses
- Collaboration in research teams and training programs

### **EDUCATION AND TRAINING**

#### **High School**

**1992–1996**

Tudor Vladimirescu Theoretical High School, Târgu Jiu

Mathematics–Physics Programme

#### **Medical School**

**1996–2002**

Victor Babeş University of Medicine and Pharmacy, Timișoara

Degree: **MD – Doctor of Medicine**

#### **Residency**

**2003–2009**

Residency in **Orthopedics and Traumatology**

Municipal Clinical Hospital Timișoara

Orthopedics and Traumatology Clinic II

#### **Doctoral Studies (PhD)**

**PhD in Medical Sciences (2011)**

Dissertation title:

## **“Clinical and Experimental Study on the Surgical Treatment of Complex Fractures”**

Victor Babeş University of Medicine and Pharmacy, Timișoara

### **PROFESSIONAL COMPETENCES**

#### **Clinical competences**

- Orthopedics and Traumatology
- Management of complex fractures
- Minimally invasive orthopedic surgery
- AO osteosynthesis techniques
- Arthroscopy (knee, shoulder, ankle)
- Pelvic stabilization procedures
- Soft-tissue and bone trauma management
- Imaging interpretation (X-ray, CT, MRI)

#### **Teaching and academic competences**

- Teaching medical students and residents
- Clinical case-based learning
- Preparing scientific presentations
- Research methodology and scientific writing
- Guiding young physicians in training

#### **Social and organizational competences**

- Member of the Romanian Society of Orthopedics and Traumatology (SOROT)
- Member of EFORT
- Member of AO Foundation
- Member of ASORIS (Romanian–Italian–Hispanic Orthopedic Association)
- Teamwork in multidisciplinary departments
- Communication with patients and colleagues

#### **Digital competences**

- Microsoft Office (Word, PowerPoint, Excel)
- PACS systems & radiological software
- Data processing and academic formatting
- SPSS – basic level

#### **Languages**

**Mother tongue:** Romanian

**Foreign language:** English

- Understanding: B
- Speaking: B
- Writing: C

## **COURSES AND SPECIALIZED TRAINING**

(Chronologically structured)

### **2005**

- EFORT Seminar – Pulmonary Medicine
- International Course – Osteosynthesis for Femoral Fractures, Bucharest
- Arthroscopy Course – Timișoara

### **2006**

- National Arthroscopy Course
- Minimally invasive orthopedic surgery courses
- EFORT – Principles of Fracture Treatment

### **2007**

- Hip Arthroplasty Course – Timișoara
- EFORT – Selected Topics in Bone and Soft Tissue Tumors
- AO Foundation Congress – Brașov
- Modern Investigation and Treatment in Musculoskeletal Pathology

### **2008**

- AO Foundation Romania – Complex Fractures
- Arthroscopy – Timișoara
- EFORT – Vienna
- Advanced Trauma Surgery courses
- SOROT National Congress

### **2009**

- Minimally Invasive Orthopedic Surgery – Timișoara
- Advanced Arthroscopy Course – Bucharest
- EFORT – Nice
- AO Trauma Workshops
- SOROT Annual Congress

### **2010**

- AO Trauma Advanced Course

- Workshop – Trochanteric Fracture Treatment
- Arthroscopy – Knee and Shoulder
- EFORT – Arad

## **2011**

- National and international orthopedic congresses
- Workshops in fracture management and surgical techniques

## **2012–2024**

- Annual participation in SOROT
- Annual participation in EFORT
- AO Trauma courses (advanced)
- Continual professional development in orthopedics

## **SCIENTIFIC CONGRESSES AND PRESENTATIONS**

### **National congresses**

- Annual participation in the Romanian Society of Orthopedics and Traumatology (SOROT)  
Years: **2004–2024**

### **International congresses**

- EFORT – Budapest, Vienna, Nice, Florence, Nîmes, etc.
- AO Trauma – Braşov, Cluj, Arad
- International symposia on orthopedic trauma

### **Scientific presentations (selection)**

- Complex fractures: clinical and surgical approach
- Arthroscopy in sports trauma
- Biomechanics of osteosynthesis
- Pelvic instability: diagnostic and treatment
- Minimally invasive trauma surgery
- Tumor pathology in orthopedics

## **SCIENTIFIC PUBLICATIONS**

(Organized and reconstructed)

### **1. Sexual Dimorphism and Age-Related Structural Changes in the Human Larynx**

Journal of Personalized Medicine, 2023  
DOI: 10.3390/jpm13121651

### **2. Staged Treatment of Post-Traumatic Tibial Osteomyelitis with Rib Graft and Serratus Anterior Muscle Autografts – Case Report**

Diagnostics, 2026

DOI: 10.3390/diagnostics16050725

### **3. Relationship Between Multifidus Fatty Atrophy and Lumbar Disc Degeneration**

Musculoskeletal Disorders, 2020

DOI: 10.1186/s12891-019-2786-7

### **4. Emergency Pelvic Stabilization in Post-Traumatic Instability**

Journal of Clinical Cases, 2010

### **5. Floating Knee Injuries – Our Experience**

World Journal of Clinical Cases, 2019

DOI: 10.12998/wjcc.v7.i7.849

### **6. Extra-Articular Distal Tibia Fractures – Treatment Options**

International Orthopaedics

DOI: 10.1007/s00264-018-3775-4

*(Lista completă poate fi extinsă la cerere.)*

#### **ADDITIONAL INFORMATION**

- Participation in numerous national and international scientific festivals, workshops and symposia
- Collaboration with international orthopedic specialists
- Active involvement in university research projects
