PUBLICATIONS

[2025]

H-index: 10 (Web of Science)

As a result of my scientific research activity conducted to date, I have accumulated a portfolio comprising:

- 44 scientific articles published in journals indexed in ISI Web of Science, including:
 - a. 19 scientific articles as main author;
 - b. 25 scientific articles as co-author, primarily in collaboration with colleagues from the Urology and Histology departments of UMFVBT, as well as researchers from other disciplines, universities, and research institutions, both nationally and internationally.
- 2 book chapters published by international publishers (IntechOpen).
- national treaty of Urology chapter published in current edition.

COMMUNICATION AND INTERPERSONAL SKILLS

Nuanced communication contexts

- Acquired strong communication skills during high school through participation and awards in various debate and public speaking competitions, as well as consecutive achievements at the National English Olympiad (3 years) and National Olympiad in Logic and Argumentation (2 years).
- Media experience as a radio show host at Radio Reșița, receiving annual awards for four consecutive years at the "Ștefan Naciu" creative and communication camp organized by Radio Reșița.
- Experienced in diverse international medical contexts, proficient in specialized English medical vocabulary, and easily adaptable to new situations.

ORGANISATIONAL SKILLS

Project Implementation

Teamwork abilities, organizational, logistical, and management skills acquired through volunteering activities in the following contexts:

- Assistant Regional Development Coordinator for the cross-border European projects "Exploring Nature Across Borders" (ENABO) and "Banat Greenway Corridor – Connecting People to Nature and Culture" (CONNECT);
- Founding member, with various subsequent roles in the management board of Rotaract Opera Timișoara;
- Member and consultant on European funding issues for SSCR Timișoara;
- Member and Coordinator of the Scientific Research Department within EMSA Timișoara;
- External consultant on European funding issues for Liga AC Timișoara.
