● **MANAGEMENT AND LEADERSHIP SKILLS**

Leadership and Management Qualities

Since my student years, I have demonstrated leadership qualities as President of the Society of Medical Students in Timisoara, member of the Faculty and Senate of UMFVBT. I have coordinated the Research Fellowship Committee (IFMSA) as National and International Director (IFMSA). I also demonstrated my management skills as a head of department for a short period of time, but also as a member of the Board of Directors at the Military Hospital in Timișoara. I also coordinated numerous research grants at the Pius Brnzeu Experimental Surgery Center and later became the Director of the Pius Brnzeu Experimental Surgery Center Director.
