538–547)

Scientific papers and published articles

- 22 full-text original articles published in ISI-listed journals and indexed by Thomson Reuters Web of Science as lead author
- 24 full-length original articles published in ISI-listed journals and indexed by Thomson Reuters Web of Science as a co-author
- 9 articles published in ISI proceedings journals as lead author
- 29 articles published in ISI-indexed journals as a co-author
- 7 original articles published in full in BDI-indexed journals as lead author
- 5 original articles published in full in BDI-indexed journals as co-author

Projects

- Member of the project “Integrated system for real-time assistance during surgery through three-dimensional image reconstruction and synchronization of playback via voice commands” No. 12136/01.10.2008. Funding: State Budget – National Authority for Scientific Research, Partnerships Program in Priority Areas. Acronym SIATRACH. Contract duration: 36 months (October 1, 2008–September 30, 2011)
- Sub-investigator in the following Phase IIb clinical trial conducted between April 2010 and January 2011: “Skeletal muscle-derived cell implantation in female patients with stress urinary incontinence: a multicenter, randomized, parallel-group, placebo-controlled clinical study.” Pierrel Research Romania SRL
- Member of the multicenter study on the use of a robotic approach to correlate the decrease in circulating adipokine levels in obesity with the risk of pelvic cancer (ROBOCAPE). POS CCE 221 2013 Project ID 1846, Contract 669/01.09.2014, SMIS-CSNR 48748.
- Member of the project “Improvement of Neoplastic Pathology Management through the Development and Implementation of a Cross-Border Medical Excellence Center – ‘NEOPAT-MAN’” e-MS number RORS-498, under the INTERREG-IPA Cross-Border Cooperation Program Romania–Serbia. The coordinating institution is the “Pius Brînzeu” County Emergency Clinical Hospital in Timișoara, in collaboration with the Hospital in Pozarevac, Serbia.
- “Improving the skill levels of healthcare professionals in the field of minimally invasive abdominal oncological surgery” – PRONCO. The project is ongoing until June 2021 (extended from December 2020 due to the pandemic).

Postgraduate courses and seminars

- Participation as an expert in laparoscopic surgery courses organized at the “PIUS BRÎNZEU” Center for Laparoscopic Surgery and Microsurgery in Timișoara:
 - Practical course in laparoscopic biliary tract surgery, December 13–16, 2000,
 - Practical course in laparoscopic biliary tract surgery, February 21–24, 2001,
 - Intensive practical course in laparoscopic surgery, May 2–5, 2001,
 - Practical Course in Laparoscopic Surgery, June 18–21, 2001,
 - Practical course in laparoscopic surgery, October 2–5, 2001,
 - Practical course in laparoscopic surgery, December 11–14, 2001,
 - Practical course in laparoscopic surgery, February 26–March 1, 2002,
 - Practical course in laparoscopic surgery, September 24–27, 2002,
 - Intensive Practical Course in Laparoscopic Surgery in Urology, February 26–28, 2003,
 - Intensive practical course in laparoscopic surgery, March 26–28, 2003,
 - Advanced practical course in laparoscopic gastric surgery, May 7–9, 2003,
 - Practical Course in Gynecological Laparoscopic Surgery, December 10–13, 2003,
 - Intensive practical course in laparoscopic surgery, March 29–31, 2006

- Intensive practical course in laparoscopic surgery, October 11–13, 2006
- Practical course in laparoscopic surgery, March 26–28, 2008
- Practical Course in Laparoscopic Surgery, June 18–20, 2008
- Intensive Course in Laparoscopic Surgery, Timișoara, June 10–12, 2009
- Intensive Course in Laparoscopic Surgery, Timișoara, June 2–4, 2010
- Intensive Course in Laparoscopic Surgery, Timișoara, June 29–July 1, 2011
- Intensive Course in Laparoscopic Surgery, Timișoara, February 22–24, 2012
- Practical Course in Laparoscopic Colorectal Surgery, March 29, 2012
- Intensive Course in Pediatric Laparoscopic Surgery for the Purpose of Obtaining the Certificate in Pediatric Laparoscopic Surgery, Module I – Basic Surgical Techniques, Timișoara, June 26–28, 2014
- Postgraduate Course: Classic and Laparoscopic Mechanical Intestinal Sutures – Timișoara, December 16, 2015
- Minimally invasive surgery courses (laparoscopic and robotic) as part of the PRONCO project, 2018–2021
- Participation as an expert in laparoscopic surgery courses organized by the Romanian Association for Endoscopic Surgery and Other Interventional Techniques:
 - Practical Course: Fundamentals of Laparoscopic Surgery, Bucharest, January 2009
 - Practical Course: Fundamentals of Laparoscopic Surgery, Bucharest, March 2009
 - Practical Course: Basic and Advanced Techniques in Gynecological Pathology, Bucharest, October 2009
 - Practical Course: Fundamentals of Laparoscopic Surgery, Bucharest, March 16–18, 2011
 - Practical Course: Fundamentals of Laparoscopic Surgery, Bucharest, September 28–30, 2011
 - Practical Course: Basic and Advanced Techniques in Gynecological Pathology, Bucharest, October 19–21, 2011
 - Practical Course: Fundamentals of Laparoscopic Surgery, Bucharest, January 25–27, 2012
 - Practical Course: Fundamentals of Laparoscopic Surgery, Bucharest, March 7–9, 2012
 - Workshop on Interventional Endoscopy and Endoscopic Surgery, Craiova, March 22–23, 2012
 - Hands-on Course: Fundamentals of Laparoscopic Surgery, Bucharest, September 26–28, 2012
 - Laparoscopic Surgery Course on Gynecological Laparoscopic Surgery Techniques, Bucharest, October 17–19, 2012
 - Course: Surgical Management of Secondary Hyperparathyroidism, Bucharest, April 22–26, 2013

Workshops

- Student Workshop, November 15, 2012 – Laparoscopic Treatment of Ruptured Ectopic Pregnancy
- Workshop organized in collaboration with the Romanian Student Society of Surgery – Main Trainer at the 2nd Edition of Basic Surgical Skills, Timișoara, November 30, 2012
- Workshop organized in collaboration with the Romanian Student Society of Surgery – Acute Surgical Abdomen – May 2013
- Workshop organized in collaboration with the Romanian Student Society of Surgery – Acute Surgical Abdomen – November 2013
- Workshop organized in collaboration with the Romanian Student Society of Surgery – The SSCR Enters the Hospital Program – April 8, 2014
- Course Coordinator for the Hands-on Skills Lab, Timișoara, April 21–22, 2016 Workshop organized in collaboration with the Romanian Student Society of Surgery – Surgical Aspects of the Treatment of Parietal Defects – October 2018
- Winter Surgery School – Straja, February 2020

- Winter School – “Winter Surgery School” – Straja, March 2025
- Medfocus Bootcamp Workshop – Timișoara, May 2025
