Profile

Senior Consultant in Obstetrics and Gynecology with solid experience in diagnosing, treating, and monitoring gynecological and obstetrical conditions, as well as managing both normal and high-risk pregnancies. Advanced competencies in specialist consultations, minimally invasive surgical procedures, and complex gynecological interventions. Focused on patient safety and comfort, with excellent communication and counseling skills. Experienced in coordinating medical teams, participating in continuing medical education programs, and engaging in research activities. Dedicated to providing high-quality medical services and continuously improving clinical practice.

Work Experience

Senior Consultant, Emergency County Clinical Hospital Timisoara (Part-time)
December 2025 – Present

Advanced competencies in diagnosing and treating gynecological pathologies, monitoring physiological and high-risk pregnancies, performing minimally invasive and classical surgical interventions, and managing obstetrical emergencies. Expertise in preventive consultations, oncological screening, obstetric and gynecological ultrasound, and counseling patients regarding family planning, infertility, and reproductive health.

Senior Lecturer – Obstetrics and Gynecology III, Victor Babes University of Medicine and Pharmacy Timisoara

September 2023 – Present

Responsible for coordinating university teaching activities, delivering lectures and practical sessions, evaluating students, and mentoring residents. Contributes to educational program development and implementation of modern pedagogical methods.
