CAPITOLUL I. GENERAL PROVISIONS ON THE ORGANISATION AND CONDUCT OF ADMISSION

I.1. The rules for the organisation and conduct of the admission competition are based on:

- a) Higher Education Law no 199/2023, with subsequent amendments and additions,
- b) On the basis of H.G. no. 404/2006 on the organisation and conduct of master's degree studies,
- c) M.E. Order no. 3693/2024 on the organisation of admission to higher education in the undergraduate, bachelor, master and doctoral cycles of short university studies;
- d) Ministry of Education Order no. 5.552 of 16 July 2024 for the approval of the Methodology regarding the conditions of enrolment of Romanians from abroad and foreign citizens in accredited state, private and private denominational higher education institutions in Romania;
- e) M.E. Order no. 5.553 of 16 July 2024 on the approval of the Procedure for issuing letters of acceptance to study for Romanians from abroad for state and accredited private higher education, for places with tuition fees in lei;
- f) M.E. Order no. 5.655 of 23 July 2024, on the admission of foreign citizens to study at university and postgraduate levels, on study places with tuition fees in foreign currency,
- g) Decisions of the Senate of the "Victor Babes" University of Medicine and Pharmacy of Timisoara.

I.2. On the basis of university autonomy and public accountability, the "Victor Babes" University of Medicine and Pharmacy of Timisoara organises an admission competition for each Master's degree programme approved by the University Senate, within the accredited field, subject to their publication in the Government Decision on the approval of the Nomenclature of fields and specialisations / programmes of university studies and the structure of higher education institutions for the following academic year.

I.3. The tuition offer, i.e. the list of Master's programmes for which admission competitions are organised, is updated annually and constitutes Annex no. 1 to this Regulation.

I.1. "Victor Babes" University of Medicine and Pharmacy of Timisoara will inform the candidates about the conditions and documents necessary for enrolment, the admission examination calendar, the annual tuition offer, the way the examination will be held, the examination tests, the related subjects and bibliography, special facilities or conditions, the enrolment fees for the organisation of the admission, as well as other useful information for the candidates, by posting a notice at the institution's headquarters and by publishing it on its own website, www.umft.ro, at least 6 months before the admission examination.

I.2. The enrolment figure, approved by the Senate of the UMF "Victor Babes" University of Timisoara for all master's degree programmes, in compliance with the approved enrolment capacity for each master's degree programme, will be posted on the university website and will include:

- a) study places/grants financed from the state budget, distributed separately, with the following destinations:
 - Statistically allocated places;
 - Places allocated to Romania's priority development areas;
 - Places allocated for young Roma people;
 - Places allocated to national minorities, for study programmes that do not exist in state higher education in the language of the respective minority;
 - Places allocated to the social protection system;
 - Places for people with disabilities.
- b) study places without tuition fees (with monthly scholarship/without monthly scholarship) allocated to Romanian citizens from abroad and/or foreign citizens, if applicable;
- c) fee-paying places:
 - In lei, for Romanian/EU/EEA/EEA candidates;
 - In lei for candidates who are Romanian citizens living abroad;

- In foreign currency for foreign (non-EU) nationals.

I.3. (1) The "Victor Babes" University of Medicine and Pharmacy of Timisoara provides additional support adapted to the needs of candidates with locomotor disabilities and supports their access to the institution.

(2) The academic community will ensure a constructive and stimulating socio-educational climate for the integration of persons with disabilities/special educational needs, by cultivating optimal and non-discriminatory communication and relationships with them.

(3) In order to ensure equal opportunities and effective integration into social life, the "Victor Babes" University of Medicine and Pharmacy of Timisoara shall allocate a number of budgeted places within the approved enrolment figure, in compliance with the legal provisions and the enrolment capacity, for graduates with baccalaureate diploma from the following categories:

- a) national minorities, for study programmes which do not exist in state higher education in the language of the respective minority;
- b) social protection system;
- c) persons with disabilities.

If places are not filled, they will be redistributed to other candidates.

I.4. The amount of tuition fees for the first year of the Master's programmes shall be notified to candidates, in accordance with the legal provisions in force, by publication on the website www.umft.ro.

I.5. All communication between the University and the candidates registered for the admission competition will be in writing, in written or electronic format, to the candidate's e-mail address and/or account.

I.6. (1) Admission to master's degree programmes is conducted in the language of the programme (Romanian/English).

(2) For admission to university study programmes taught in Romanian, the method of certification of language proficiency, in the case of candidates who do not present the documents required for enrolment, issued by Romanian or foreign educational institutions, teaching in Romanian, is provided for by this Regulation. By way of exception, for pupils who have studied in a language of international circulation or a language of national minorities, certification of oral communication skills in Romanian is provided by the baccalaureate diploma issued by authorised/accredited educational establishments in Romania.

(3) For admission to university study programmes taught in a language of international circulation (English), the procedure for certifying language proficiency in the case of candidates who do not present the study documents required for enrolment, issued by Romanian or foreign educational institutions teaching in that language, is provided for by this Regulation.

I.7. (1) Only graduates with a bachelor's degree or equivalent may participate in the admission competition.

(2) Applicants to the University Professional Master programme must be graduates with a bachelor's degree in fields related to the programme they are following, regulated by the admission conditions in this Regulation, Annex no. 2.

I.8. A person can only receive budget funding for one master's degree programme.

I.9. Graduates of 5 or 6-year bachelor study programmes who have studied on a state-funded place can be admitted to the master study programme only on a fee-paying place in lei, according to the legislation in force.

I.10. (1) Citizens of the countries of the European Union, the European Economic Area and the Swiss Confederation, as well as British citizens and members of their families, as beneficiaries of the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community 2019/C 384 I/01, may participate in the admission competition under the same conditions as those provided by law for Romanian citizens, including tuition fees.

(2) Citizens of the European Union, the European Economic Area and the Swiss Confederation who hold a bachelor's degree obtained in a country other than Romania, must present the certificate of recognition of

studies, issued by the specialised directorate of the Ministry of Education, when applying for the admission competition, the application file being previously stamped by the Prorectorate for International Relations of the university.

(3) The admission of foreign citizens and Romanians from abroad shall be carried out on the basis of the special methodologies elaborated by the Ministry of Education, as well as the provisions of this Regulation. Specific and/or derogatory regulations shall be laid down separately in this Regulation.

(4) Romanian citizens and citizens referred to in par. (1) and (3), declared admitted to the Master's degree programme, may enrol only on the basis of the bachelor's degree recognised in accordance with the methodologies elaborated by the specialised directorates of the Ministry of Education.

(5) For admission to all master's degree programmes taught in Romanian, citizens of the European Union and third-country nationals are required to provide proof of knowledge of Romanian, in accordance with this Regulation, in compliance with the methodologies for their enrolment in Romania, as appropriate.

CAPITOLUL II. THE ORGANISATION AND CONDUCT OF ADMISSION TO MASTER'S DEGREE PROGRAMMES

II.1. Admission committees

II.1. 1. (1) The heads of the faculties are responsible for the organisation and conduct of the admission competition.

(2) The Vice-Rector supervises the organisation and conduct of the admission process and intervenes in the resolution of exceptional situations, when necessary, together with the Central Admissions Commission.

(3) The deans of the four faculties of the university are members of the Central Admission Commission for admission to master's degree programmes, and the Vice-Rector for Teaching is the President of the Commission.

II.1. 2. At the level of each faculty that organises master's degree programmes, admissions committees are set up for each study programme, made up of: the chairperson (usually the programme coordinator), 2 (two) members and the committee secretary.

II.1. 3. (1) The composition of these commissions is established by the Rector's Decision, at the proposal of the coordinators of the Master's programmes, with the opinion of the Faculty Council and the approval of the Administrative Council, at least 15 days before the competition.

(2) The rector of the university, with the opinion of the dean of the faculty, approves changes in the composition of the admissions committees, for duly justified reasons.

II.1. 4. Admission committees have the following tasks:

- preparing tests for the written test;
- checking the correctness of the tests;
- producing the document with the correct answers to the questions ("Solutions.txt");
- keeping tests and answers secret until the correct answers are posted;
- ensuring that the correct answers to the questions are displayed on the website of the "Victor Babeș" University of Medicine and Pharmacy of Timisoara, according to the Admission Calendar, after the finalisation of the admission contest;
- multiplication of competition forms and question booklets;
- checking that the candidates ranked last with equal marks have been eliminated on the basis of the criteria set out in this Regulation;
- checking the identity of candidates when they enter the competition halls and their compliance with security rules;

- training candidates;
- are responsible for the actual organisation of the competition;
- are responsible, under their signature, for the correct calculation of each candidate's score and for completing the competition form with each candidate's score;
- ensuring that candidates' marks are centralised;
- packing and sealing the competition forms and handing them over to the secretariat;
- are responsible for the arrangements to be observed by candidates when they enter the hall on the day of the written test;
- ensuring the display of the results on the website of the "Victor Babes" University of Medicine and Pharmacy of Timisoara, on the day of the competition, after its finalisation;
- signing, through the President, the list of admission results published on the University website;
- are responsible for separating candidates who have obtained the same marks in the admission competition, by applying the tie-breaking criteria correctly;
- they are responsible for sending the Excel file with the results of the candidates in the halls to be centralised/imported into the computer software;
- approval of the standard application forms for candidates taking the admission competition for separate places;
- approval of applications for fee waivers.

II.1. 5. The secretary of the admissions committee has the following duties:

- **the lists of registered candidates are sent to** the secretariat of the master's programmes;
- the centralisation of candidates' marks;
- submitting, after the end of the competitive examination, the provisional results in electronic format to the secretariat of the Master's degree programmes, respectively the report signed by the programme coordinator.
- checking the results lists before they are posted on the university website.

II.1. 6. (1) The Appeals Settlement Committee, proposed by the Central Admissions Committee, is approved by the Administrative Board, and is constituted by decision of the Rector; it is composed of: 1 chairman, 2 members and a secretary.

(2) The Appeals Committee shall have the following tasks:

- centralising appeals,
- analysing and settling appeals;
- drawing up the final decision of the committee and communicating it for posting ~~at the University's headquarters and~~ on the University's website.

II.2. Timetable for the admission competition

II.2.1. The competition for admission to all master's programmes is organised in a single session in September.

II.2.2. The timetable for the admission competition to master programmes is updated annually and constitutes Annex 3 to this Regulation.

II.3. Application procedure for the admission competition

II.3.1. During the period established in the Admission Calendar, candidates will fill in the online application form and upload the application documents (application file) in the admission IT platform, indicated on the university website www.umft.ro, Admission Section, assuming their responsibility for the authenticity and correspondence between the digital/scanned and original documents, without exceeding

the deadline set for the application.

II.3.2. By filling in the online application form, candidates consent to the processing of their personal data for this purpose. The data collected in the application form for admission, for each candidate, are those provided for by M.E.N. Order no. 3714/2018 on the approval of the Regulation on the organisation, functioning and operation of the Single Matriculation Register of Universities in Romania.

II.3.3. Verification of the contents of the application file and validation of the enrolment by the university staff will take place during the period established in the Admission Calendar. Contact details:

- for the Faculty of Medicine: e-mail: masterat@umft.ro;
- for the Faculty of Dental Medicine: e-mail address: stoma@umft.ro;
- for the Faculty of Pharmacy: e-mail address: master.farmacie@umft.ro.

II.3.4. After filling in the application form and validating their registration for the competition, candidates will receive the admission competition card in the candidate account and a confirmation e-mail with details of the next steps, as set out in these Rules.

II.3.5. When applying, candidates can choose a maximum of two master's degree programmes.

II.3.6. Reports on the number of enrolled and validated candidates will be generated on a daily basis and will be available to all interested parties on the university website.

II.3.7. In order to ensure compliance with the specific legal conditions provided for the enrolment and admission of international candidates or candidates who have obtained their bachelor's degree outside Romania, the Prorectorate for International Relations of the University will give a prior endorsement, with the mention "The documents allow enrolment", to the files of the following categories of candidates:

- citizens of the countries of the European Union, the European Economic Area (Norway, Iceland, Liechtenstein) and the Swiss Confederation, as well as British citizens and members of their families, as beneficiaries of the Agreement on the Withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community 2019/C 384 I/01;
- Romanian nationals who obtained their bachelor's degree abroad;
- Romanian citizens residing abroad;
- foreign citizens who fall under the provisions of O.G. no. 194/2002, with residence permit in Romania;
- foreign candidates (who do not have Romanian citizenship or the citizenship of another EU/EEA/Swiss Confederation, non EU/CCV);
- citizens running for the seats for Romanians living abroad.

II.3.8. The equivalence commissions at the level of each faculty are responsible for the equivalence of the marks obtained by the candidates in the examinations and subjects specified in the University's selection criteria in accordance with the Romanian marking system, until the deadline set for the validation of the applications, according to the Admission Calendar.

II.3.9. Before filling in the online application form in the admission platform, according to the regulations posted on the university's website www.umft.ro, Admission Section, candidates should consider the following aspects:

- a. Your application file must be complete and contain all the necessary documents required in accordance with these Regulations (see section - Documents required for admission to the admission competition).
- b. All documents in the application file must be scanned and saved (preferably on the device on which the online application form is completed) so that they can be uploaded to the admissions platform when completing the online application form;
- c. Failure to upload the required documents in the online application form section will make it impossible to validate your application;
- d. Failure to submit the required documents in electronic format and failure to submit the original documents in physical format by the deadlines specified will result in the loss of the place obtained through

II.8.5 (1) The evaluation of the documents and the issuing of the decision of the CNRED shall be carried out within a maximum of 30 working days from the date of registration of the complete file. This deadline may be extended accordingly in case of additional verifications or consultation of external experts.

(2) For more information, please consult the CNRED website: <https://www.cnred.edu.ro/ro/recunoastere-studii-cetateni-europeni-admitere-master-doctorat-DPPD-in-Romania>

II.8.6. (1) The candidate declared admitted to more than one university study programme opts for the study programme to be financed from the state budget, by submitting the original of the diploma/document of recognition of the diploma/document of recognition of the diploma/document of the previously graduated university study cycle. The aforementioned degree certificate may be returned to the holder from the second semester onwards, in which case a copy of the certificate, certified as "true copy" by the secretariat, remains on file.

(2) In the case of recognition documents issued online by the specialised directorates of the Ministry of Education, they shall be transmitted electronically to the secretariat of the master's degree studies by the candidate, within the deadline set by this Regulation until the end of the enrolment period.

(3) For enrolment, candidates who submit their recognition document electronically are required to submit an affidavit confirming the budgeted place.

II.9. Admission procedure

II.9.1. The entrance examinations and the admission procedure to the Master's programmes are approved by the present Regulation, at the proposal of the coordinators of the study programmes, in Annex no. 2 - Examinations; bibliography and thematic; addressability.

II.9.2. The subjects of the competitive examinations are established on the basis of the topics and bibliography posted on the university's website, approved in Annex no. 2 to the present regulation, at the proposal of the coordinators of the study programmes.

II.9.3. The assessment and marking criteria are laid down in this Regulation, taking into account the specificities of the field. The marking scales will be displayed during the admission competition.

II.9.4. The admission contest will be held on the date set in the Admission Contest Calendar, for each Master's degree programme, according to a time schedule posted in due time on the university website.

II.9.5. Candidates will be admitted to the competition hall on the basis of their identity card/passport (documents must be valid).

II.9.6. From the time set for the start of the competition, candidates are not allowed to enter the halls.

II.9.7. After entering the hall, candidates must hand in the following materials which must not be left with them during the competition: books, notebooks, publications of any kind, blank or written paper, mobile phones, electronic watches, computers, laptops, tablets, any other type of communication equipment, cameras, bags. They will retrieve them at the end of the test.

II.9.8. Any misconduct (communication between candidates, copying, keeping in possession during the competition any transmission device, cheating on identity, behaviour which disturbs other candidates) will be penalised by elimination from the competition. Candidates who report irregularities of any kind are entitled to inform the centre manager/competition committee immediately. No appeals concerning irregularities during the examination will be entertained after the competition has been completed.

II.9.9. For foreign (non-EU) citizen candidates, the admission competition will be organised by evaluation of applications. Candidates will be ranked in the order of the marks obtained by applying the selection criteria set out separately in the chapter on specific provisions for admission of this category of candidates.

II.10. Admission results

II.10.1. The results of the admission competition will be made known to the candidates by posting them at the University's headquarters and on the University's own website, www.umft.ro and will be signed by the academic prorector, the **dean of the faculty** and the chair of the admission committee for each study programme, in the following stages, according to the admission calendar:

- a) Provisional results, generated after admission and posted according to the Admission Calendar;
- b) Results after any appeals have been resolved, for study programmes where there have been changes in average and classification,
- d) Results after the closing date for payment of tuition fees and enrolment, after the second stage of confirmation of places;
- e) Results after redistribution of places, if applicable.

II.10.2. Candidates are ranked in descending order of the marks (averages) obtained in the admission exam and within the limit of places approved for each study programme.

II.10.3. The minimum overall admission average for Master's degree programmes cannot be less than 6 (six).

II.10.4. The overall admission average is calculated to two decimal places without rounding.

II.10.5. In the case of equal last place averages, the following criteria will be used to decide between the candidates:

1. Written test mark
2. Licence exam grade

3. Average years of undergraduate studies

II.10.6. The lists contain the following categories of information:

- Successful candidates for budget-funded places, within the limit of the number of places allocated, where applicable;
- Candidates admitted to the fee-paying places, within the number of places allocated, where applicable;
- Unsuccessful candidates, where applicable.

II.11. Filing and settling appeals

II.11.1. Any possible appeals against the results of the admission competition will be submitted, after the publication of the provisional results, electronically, to the e-mail address: masterat@umft.ro (for study programmes within the fields of Medicine and Dentistry), respectively to the e-mail address: master.farmacie@umft.ro (for study programmes within the field of Pharmacy) and stomat@umft.ro (for study programmes within the field of Dentistry) on the date and time regulated according to the Admission Competition Calendar. Only appeals concerning one's own paper will be admitted.

II.11.2. The Appeals Committee is exclusively responsible for settling appeals.

II.11.3. If there is a difference in the marks, the candidate will be awarded the mark resulting from checking the work in the disputed paper.

II.11.4. The decision of the appeals committee is final and will be communicated by a notice at the University's headquarters and on the website. For study programmes where there have been changes in classification, the lists of admitted and rejected candidates, by study programme, will be drawn up and displayed, containing the final and indisputable results.

II.11.5. Once the deadline for replying to appeals has expired, the result of the admission competition is final and cannot be changed.

II.12. Confirm your place

Stage I

II.12.1. During the period set in accordance with the admission competition timetable, candidates who have **been admitted** to the budgeted/fee-paying places are required to confirm their place, under penalty of losing the place obtained through the competition, in the event of failure to fulfil this obligation, by:

- a. paying the confirmation fee, the tuition fee, if applicable, and uploading the payment documents on the admission platform, choosing the optional and/or optional subjects and signing the study contract online in the admission platform, and
- b. submitting the original/copy of your application form to the secretariat.

Stage II

II.12.2. On the date set in the Admissions Calendar for the start of the second stage of the confirmation of places, a report will be posted with the places remaining unfilled after the confirmation of places.

II.12.3. During the period established according to the Admission Calendar, a second stage will take place to confirm the place of the candidates with an average over 6 (six) who were initially declared "rejected" (pending), who have been placed, through the computerised admission application, in the order of the obtained admission averages, on the places that remain unfilled;

II.12.4. The remaining places will be distributed to the next candidates, in order of admission averages, through the computerised admission application, which will be communicated to the candidate's e-mail and account.

(2) Candidates will be required to confirm the place obtained, within the period set in accordance with the timetable for the admission competition, under penalty of forfeiting the place obtained in the competition, in case of failure to fulfil this obligation, by:

- a. paying the confirmation fee, the tuition fee, if applicable, and uploading the payment documents on the admission platform, choosing the optional and/or optional subjects and signing the study contract online in the admission platform, and
- b. submitting the original/copy of your application form to the secretariat.

II.12.5. The confirmation fee (registration) is 500 lei, non-refundable and is payable on the online admission platform (by credit card), either in cash or by bank transfer to the University's account opened at the Treasury of Timisoara: RO21TREZ62120F330500XXXX tax code: 4269215, with the following mention: *"confirmation fee - name, surname, year of study, study programme"*

II.12.6. Applications of unsuccessful candidates or candidates who give up their place in the competition must be returned within 48 hours of the date of application. No fee will be charged.

II.12.7. For candidates who are foreign citizens (non-EU), by exception from the obligation to submit the original application file to the secretariat, the confirmation of place implies, under penalty of losing the place obtained through the competition, in case of failure to fulfil this obligation, the payment of the confirmation fee, the tuition fee, if applicable, and uploading the payment documents on the admission platform, respectively the choice of optional and/or optional subjects and the signing of the study contract, online, in the admission platform.

II.12.8. For foreign (non-EU/CPCV) candidates, the fee for the confirmation of place is charged in foreign currency (euro). Details of the amount and how to pay it are dealt with separately in this Regulation, in the chapter on specific provisions for admission of this category of candidates.

II.13. Tuition fees

II.13.1. Candidates declared admitted to the master's degree programmes shall pay the tuition fee in the amount stipulated in the Fees Regulation, **in full, during the period of confirmation of the place**, either on the online admission platform (by card), or in cash or by bank transfer, to the University's account opened at the Treasury of Timisoara: RO21TREZ6212120F330500XXXX tax code: 4269215, with the following mention: *"tuition fee - name, surname, year of study, study programme"*

II.13.2. For foreign (non-EU/CPCV) candidates for places where the fee is payable in foreign currency, the details concerning the amount and the method of payment of the fee are regulated separately in this Regulation, in the chapter on specific provisions for admission of this category of candidates.

II.13.3. The proof of payment of the tuition fee (copy of the receipt/payment order) **must** be uploaded to the candidate's account by the deadline for payment of the tuition fee. Failure to pay the tuition fee by the deadline will result in the loss of the place obtained through the competition and the redistribution of the places thus released.

II.13.4. Successful candidates who fail to pay the tuition fee by the deadline are automatically deemed to have forfeited the place they have obtained by failing to turn up for the competition.

II.14. Arrangements for enrolling successful candidates for enrolment

II.14.1. In order to enrol, successful candidates have the following obligations:

- The obligation to pay the tuition fee in full, within the deadlines set out in this Regulation and in the Calendar of the admission competition, only by candidates admitted to the fee;
- The obligation to register for the first year of the master's degree programmes, by faculties, at the

secretariat of the master's degree programmes, **within the deadline set for the confirmation of the place**, by submitting the application file for the admission competition to the faculty secretariat.

II.14.2. z. The standard application form for participation in the admission competition for places allocated to baccalaureate graduates **from national minorities**, for study programmes that do not exist in state higher education in the language of the respective minority, addressed to the Admission Commission, as well as a recommendation issued by a legally constituted organisation of the respective minority, showing that the candidate belongs to that minority;

aa. The standard application form for participation in the admission competition for the places allocated to baccalaureate graduates from the social protection system, addressed to the Admission Commission, as well as the supporting documents issued by the General Directorate for Social Assistance and Child Protection, showing that, at the date of enrolment in the competition, they belong to the category of young people from the special protection system who fall under the provisions of Article 62, paragraph 1 of Law 272/2004 on the protection and promotion of children's rights, republished;

bb. The standard application form participation in the admission competition for the places allocated to graduates with disabilities, addressed to the Admission Committee, as well as the supporting documents (e.g. form A5 issued by the specialised doctor, based on the established diagnostic/Certificate of disability classification issued by the General Directorate of Social Assistance and Child Protection), showing that, at the date of enrolment for the competition, they belong to this category. These documents will be stamped by the University Medical Committee.

● The application file for *foreign (non-EU/CPV) and Romanian candidates from abroad* also contains the following documents:

cc. Letter of acceptance to study, for candidates who are foreign citizens and Romanians living abroad;

dd. Personal data protection declaration for foreign and Romanian candidates;

ee. Passport, valid for at least 6 months from the beginning of the academic year - copy, for candidates who are foreign citizens and Romanians living abroad;

ff. Notarised declaration that the candidate does not have a permanent residence/domicile on the Romanian territory, for candidates who are foreign citizens and Romanian citizens from abroad;

gg. Declaration on own responsibility, based on the freely expressed will, of assuming the Romanian cultural identity, according to the legislation in force (except for candidates from Moldova and those who have Romanian citizenship and reside abroad), for Romanian candidates from abroad;

hh. Declaration on their own responsibility, in the case of Romanian candidates from abroad on a tuition fee-free place of study, **that they have not previously benefited from tuition fee-free tuition**, with monthly grant/without tuition fee, without monthly grant, as the case may be, for the same level of studies.

ii. Permanent residence documents/ID card - certified copy and authorised translation into Romanian, for **candidates who are** foreign citizens and Romanians living abroad.

II.14.3. For admitted candidates who are foreign citizens (non-EU/CPCV) and Romanian citizens from abroad, the deadline for provisional enrolment and registration is separately set out in the Admission Calendar. Details concerning provisional enrolment for registration are regulated by the present Regulation, in the chapters concerning the specific provisions for these categories of candidates.

II.14.4. The documents requested in original are returned to the candidate after certification of the original by the university staff. In accordance with the current provisions of the Ministry of Education and the Romanian Government, documents issued in the original in Romanian may be submitted in copies. This provision does not apply to translations into Romanian from another language.

II.14.5. The candidate declared admitted to a place financed from the state budget shall submit to the secretariat of master's studies the original bachelor's degree, the certificate of graduation from bachelor's studies, the original certificate/certificate of recognition of the bachelor's degree. Failure to submit the original of the bachelor's degree diploma/attestation or the certificate of recognition of the degree, through the sole fault of the candidate declared admitted, within the deadline set by the present Regulation, will result in the loss of the place financed from the state budget.

II.14.6. The enrolment of students declared admitted after the admission contest is made by decision of the Rector of UMF "Victor Babes" in Timisoara.

II.14.7. Once the enrolment is approved, students are entered in the Single Enrolment Register (SER) under a unique number, valid for the entire period of enrolment in the specialisation(s)/ specialisations/ programme(s)/ degree programme(s) to which they have been admitted.

II.14.8. Following the admissions competition, a candidate can be admitted and enrolled as a student in a maximum of two master's degree programmes.

II.14.9. After enrolment, the secretariat of the Master's programme generates and publishes the final lists of candidates declared admitted and enrolled.

II.15. Admission of special categories of candidates

II.15.1. Graduates with baccalaureate diplomas from among national minorities, for study programmes that do not exist in state higher education in the language of the respective minority, are guaranteed a number of budgeted places, under the conditions of the law, according to the Ministry of Education's Notice on the distribution of the enrolment figure for master's degree studies for admission to studies, the approved enrolment figure and these Regulations. The option(s) of enrolment of candidates from national minorities on separate places on the study programme(s) within the two types of admissions excludes their possibility to apply for the other places put up for competition, for other purposes, financed from the state budget/fee-paying.

II.15.2. Graduates belonging to the Roma minority have a guaranteed number of budgeted places, under the conditions of the law, according to the Ministry of Education's Notice on the distribution of the enrolment quota for master's degree studies for admission to studies, the approved enrolment quota and the

present Regulation. The option(s) of enrolment of candidates belonging to the Roma minority on separate places in the study programme(s) within the two types of admission excludes the possibility for them to apply for the other places put up for competition, for other purposes, financed from the state budget/fee.

II.15.3. Baccalaureate graduates from the social welfare system benefit from a number of guaranteed budgeted places, in accordance with the law, the approved enrolment figures and the present Regulation. The option(s) of enrolling the candidate - a baccalaureate graduate from the social welfare system in the separate places excludes the possibility of applying for the other places in the competition, for other purposes, financed from the state budget/fee-paying. In order to be able to exercise their option for the separate places, candidates must provide proof that they belong to the category of young people from the special protection system who fall under the provisions of Article 62, paragraph 1 of Law 272/2004 on the protection and promotion of the rights of the child, republished.

II.15.4. Graduates with a baccalaureate with disabilities have the possibility to opt for enrolment in the admission competition for separate, budgeted places, by attaching to the online application documents (enrolment file) a standard application form, respectively the supporting documents (e.g. A5 form issued by the specialised doctor on the basis of the established diagnostic / Disability classification certificate issued by the General Directorate of Social Assistance and Child Protection), showing that, at the date of enrolment for the competition, they fall into this category, documents which will be stamped by the University Medical Committee. The option(s) of enrolling the candidate - graduate with a baccalaureate diploma excludes the possibility of applying for the other places in the competition, for other purposes, financed from the state budget/fee-paying.

II.15.5. Candidates who have benefited from full funding from the state budget (for the entire period of study), for a complete master's degree programme/combined bachelor's and master's degree programme (completed/uncompleted by dissertation exam), or partially, within a master's degree programme/combined bachelor's and master's degree programme, cannot enrol in places funded by the state budget, allocated separately.

II.16. Distribution of the remaining free places

II.16.1. (1) At the end of the admission session, the remaining places will be redistributed according to the following algorithm:

- a. Within the same faculties to other study programmes, if there are candidates who can slide. The decision to redistribute these places rests with the faculty management and is notified to the Admissions Committee.
- b. If there remain places in a faculty that cannot be filled as described in (a), then these are reported to the Rector, who will redistribute them **to those faculties** that have candidates who could slide.
- c. By redistribution, candidates slide strictly according to their admission average.

(2) The remaining vacant places shall be allocated, at the proposal of the dean's offices, to the other candidates, in order of their grades, with the approval of the university management, within the same study programme or within other study programmes.

II.16.2. Candidates admitted following the distribution of the remaining places will have to confirm their place in accordance with the provisions of these regulations, within 48 hours from the date of the notification of the distribution of places, under penalty of forfeiting the place thus obtained. Payment will be made either on the online admission platform (by credit card) or by bank transfer to the University's account opened at the Timisoara Treasury: RO21TREZ6212120F330500XXXX tax code: 4269215, with the following mention: *"tuition fee - name, surname, year of study, study programme"*.

II.16.3. The results after the distribution of the remaining places will be published on the university website.

CAPITOLUL III. SPECIFIC PROVISIONS FOR THE ADMISSION OF ROMANIAN CANDIDATES FROM ABROAD

III.1. In accordance with Art. (2) of Law No 299/2007 on support for Romanians living abroad, republished, with subsequent amendments and additions, I belong to the category of Romanians living abroad:

- a) persons belonging to Romanian national minorities, linguistic minorities or autochthonous ethnic groups or belonging to the Romanian cultural and ethnic Romanian filon, existing in the neighbouring states of Romania and in other states, who assume their Romanian ethnic, linguistic and cultural identity towards the Romanian authorities, regardless of the ethnonym used;
- b) Romanian emigrants, regardless of whether or not they have kept their Romanian citizenship, their descendants, as well as Romanian citizens domiciled or residing abroad;
- c) ethnic persons who recognise themselves to be of Romanian origin, living outside the borders of the country, registered as another minority in the state of residence, who assume, through self-identification, their belonging to the Romanian cultural and identity space.

III.2. On the basis of these regulations and within the tuition fees approved by the Senate of the University, Romanians from abroad may be enrolled, subject to the tuition capacity:

- **for tuition fees in lei,**
- **tuition-free tuition, but with scholarships,**
- **on tuition-free tuition but no grant.**

III.3. The tuition fee for tuition places in lei is the same as for Romanian citizens.

III.4. Romanian candidates from all over the world on places without tuition fees are exempt from paying the competition application fee and the fee for confirming their place.

III.5. The timetable for the admission competition, the application procedure, the documents required for enrolment, information concerning language proficiency and the conduct of the admission competition are set out in this Regulation, Chapter II.

III.6. In order to ensure that the specific legal conditions for the enrolment and admission of Romanian candidates from abroad are met, the Prorectorate for International Relations of the University will previously endorse their files with the mention "The documents allow enrolment".

III.7. Candidates are ranked in descending order of the marks (averages) obtained in the admission examination and within the limit of places approved for each study programme, by categories of places, as appropriate, according to the enrolment figures approved by the University Senate.

III.8. Arrangements for enrolling successful candidates for enrolment

III.8.1. Romanians from abroad may be enrolled in master's degree programmes if they fulfil the following conditions, where applicable:

- a) have passed the admission competition in accordance with this Regulation and have confirmed their place;
- b) have a letter of acceptance to study, issued by the specialised directorate of the Ministry of Education;

CAPITOLUL IV. SPECIFIC PROVISIONS FOR THE ADMISSION OF FOREIGN NATIONALS COMING FROM THIRD COUNTRIES (CPV/NON-EU) TO STUDY IN A STUDY PROGRAMME ON THEIR OWN EXCHANGE REGIME

IV. 1. General provisions

IV.1.1. Foreign candidates are eligible to participate in the admission contest for the master's degree programmes at UMFVBT, with payment of the fee in foreign currency (CPV) (according to art. 2 lit. a) of GEO no. 194/2002, republished, with subsequent amendments: a foreigner is a person who is not a Romanian citizen, a citizen of another Member State of the European Union or of the European Economic Area or a citizen of the Swiss Confederation) and who have graduated with a bachelor's degree or its equivalent, regardless of the year of graduation, according to the minimum requirements for access to higher education in Romania, holding a passport valid for at least 6 months from the start of the study programme for which they are applying, and have not been subject to restrictive measures by the Romanian authorities or by European or international institutions.

IV.1.2. The enrolment figure, i.e. the number of places/faculties/study programmes will be established by the university management, in accordance with the regulations of the Ministry of Education and Research, and will be published on the university's website. The management of the university determines and approves the number of places and study programmes available for each admission session, in accordance with the legal regulations in force.

IV.1.3. The timetable for the admission competition, the application procedure and the documents required for enrolment, as well as information on language proficiency, are set out in this Regulation in Chapter

IV.1.4. In order to ensure that the specific legal conditions required for the enrolment and admission of foreign candidates are met, the Prorectorate for International Relations of the University will previously

endorse their files with the mention "Documents allowing enrolment".

IV.1.5. For information on the obligation to apostille or supralegalise documents issued by countries that fall under this scope, please contact the Romanian Ministry of Foreign Affairs or the Romanian Ministry of Education and Research (National Centre for the Recognition and Equivalence of Diplomas - CNRED).

IV.1.6. In case the university is unclear about the study documents submitted by the candidates, the university will ask for the official point of view of the Ministry of Education-DGRIAE. As a consequence, the Ministry of Education and Research may request additional documents in addition to those mentioned above.

IV. 2. Organisation of the admission competition

IV.2.1. For Master's programmes, the admission competition for foreign (non-EU/CPCV) candidates will take the form of a paper-based competition.

IV.2.2. Candidates will be ranked in the order of their final admission average (score obtained).

IV.2.3. The final admission average consists of the mark obtained in the bachelor's degree/equivalent exam or the average of the years of study in countries that do not have a bachelor's degree/equivalent exam, plus the marks awarded by the school.

IV.2.4. The mark awarded is equivalent to a 3.00 grade, according to the Romanian marking system.

IV.2.5. The maximum mark obtained in your home country in the baccalaureate/equivalent examination is equivalent to a grade 7, plus 3 points automatically.

IV.2.6. The undergraduate average will be calculated by the equivalence of the mark obtained in the country of origin according to the Romanian marking system by the Equivalence Commission of each faculty.

IV.2.7. The minimum final admission average for master's degree programmes cannot be lower than 6.00 (six), according to the Romanian grading system and is expressed to a maximum of two decimal places, without rounding.

IV.2.8. Any appeals must be submitted exclusively in electronic format, to the e-mail address: master@umft.ro (for study programmes in the field of Medicine), stoma@umft.ro (for study programmes in the field of Dentistry), respectively to the e-mail address: master.farmacie@umft.ro (for study programmes in the field of Pharmacy), within the deadline set by the Admission Calendar, Annex no. 3 to this Regulation.

IV.3. Provisions concerning enrolment, confirmation, tuition and registration fees

CAPITOLUL V. FINAL PROVISIONS

V.1. The present regulation is the only official document regarding the organisation and conduct of the admission examination within the "Victor Babes" University of Medicine and Pharmacy "Victor Babes" of Timisoara, for the cycle of master's degree studies and is complemented by the provisions of subsequent normative acts, as well as by the Methodologies for the admission of foreign candidates, approved by the University Senate.

V.2. After enrolment, final lists are generated and displayed, with the candidates declared admitted and enrolled.

V.3. In order to enrol, candidates admitted to the places financed from the state budget must submit the original of the original diploma/document of recognition of the bachelor's degree/certificate to the secretariat of the faculty by the date set by the present regulation. The attestation is valid only for candidates who have passed the bachelor's degree examination in the current academic year. The above-mentioned degree certificate may be returned to the holder from the second semester onwards, in which case a copy of the certificate, certified "true copy" by the Faculty secretariat, remains on file.

V.4. A master's degree programme may operate with a minimum of ten (10) students.

V.5. In exceptional and justified cases, derogations from these regulations may be approved by the Rector's decision, with the approval of the University's Administrative Council.

V.6. The Board of Directors of the university has the right and the obligation to harmonise these Regulations with Ministry of Education Orders issued up to the date of the admission contest.

Art. 1. This Regulation was approved at the meeting of the University Senate on 23.01.2025, amended and completed in the meeting of 28.05.2025, 25.06.2025 and 29.01.2026, date on which it enters into force.
