

STUDENT GUIDE

FACULTY OF PHARMACY

Welcome to the Faculty of Pharmacy!

The purpose of this guide is to help first-year students in the Faculty of Pharmacy's degree programs integrate into the academic environment and to provide essential information for their academic life. The guide includes information on the structure of the programs, regulations, available services and resources, as well as practical aspects of university life.

To ensure easy and up-to-date access to information, many sections include links to the university's official website, where you can find documents, regulations, schedules, and other useful information.

I. GENERAL INFORMATION

- The academic year is divided into two semesters, each comprising periods dedicated to teaching activities (14 weeks per semester) and exam sessions (two regular exam sessions at the end of each semester), two one-week retake sessions, and one session for re-examination and grade improvement.
- Students have access to the course materials for each subject through the Moodle platform; they must create an account for the platform using the institutional email address provided upon enrollment in the program. The Moodle platform can be accessed at the link: <https://moodle.umft.ro/>.
- The Timișoara Pharmacy Students League invites you to join them, receive guidance, and participate in student-oriented activities and events.
- Students can access support and counseling services to help them integrate and adapt to university life, as well as career guidance and psychological counseling services provided by the Counseling and Career Guidance Center (CCOC): https://www.umft.ro/en/category/counselling_and_career_orientation_centre/
- The Student Health Clinic in Timișoara is located at 1 Aleea Studenților (in the Student Complex, next to the C12 student dormitory) and provides medical services to students: <https://www.umft.ro/ro/policlinica-studenteasca/>
