- Romanian Society of Pediatrics
- Romanian Federation of Diabetes (FRDNBM)
- Romanian Society of Diabetes, Nutrition and Metabolic Diseases (SRDNBM)
- Romanian Society of Endocrinology (SRE) –
- Romanian Society of PsychoNeuroEndocrinology (RPNES)
- European Society of Human Genetics (ESHG)
- European Society for Pediatric Endocrinology (ESPE)

Member in professional societies

Research and Development Projects

- Project "Using the nutrigenomic models for personalizing dietary treatments in obesity" P_37_684 (durata: 15.09.2016- 12.09.2019) – Responsible with children lot recruitment – Researcher in General Medicine cod COR 221109_
- Grant CNCIS nr. 758 / 2006 – "Evaluation of the immuno- genetic factors involved in the risk of type 1 Diabetes Mellitus occurrence in pediatric population " (duration = 2 years: 2006-2007, Project Manager: Dr. Velea Iulian) Member in the research team
- Research Grant type E (CNCIS), cod proiect: E / 384 / 2002, "In-depth research in genetic, metabolic and nutritional diseases with populational impact in children" Project Manager : Prof. dr. Ioan Popa. – Member in the research team

Other research- development work

- 2001 - Member in the Genetic, Metabolic and Nutritional Diseases Centre within IInd Clinic of Pediatrics accredited by the National Council of Scientific Research of The Ministry of Education and Research as „Research Center C type ” (Certificate nr. 96 / CC-C, București, 11.05.2001).

Prizes and distinctions For research papers

- First Prize for Oral Communication: „The role of overweight in the occurrence of Glycemic Variation...” authors: Ionela Tămășan, Iulian Velea, Corina Paul, Mirela Mogoi, presented at the National Conference of Pediatrics, Bucharest April 2-5, 2014.
- First Prize in Posters Session „Agora Diabetologica” -: „The relation glycemic control bone mineralisation type 1 diabetes mellitus with childhood onset ” authors: Velea I., Popa I., Paul C., Oneț D., Velea O.A., Lebu O. 31st National Congress Of the Romanian Society of Diabetes, Nutrition and Metabolic Disease, Timișoara, 24-27 May ,2005,
- Prize at the „Posters session” for: „Imaging aspects in growth hormone deficit in children. Corelations between the endocrine function and the morphologic aspect” autori: Corina Paul, Popa I., Velea I., Ana Maria Vesa, Bîrsășteanu F. The 3rd National Symposium of „ Genetice, Endocrine and Metabolic diseases in children”, Cluj, June 10-12 2004,
- Prize at the "Poster session" for the paper „Study of the bone density in children with type 1 diabetes mellitus– preliminary results” authors: Velea I., Popa I., Corina Paul, Oneț D., Luminița Miha, Oana Lebu, Roman B.”, 3rd National Congress of the Romanian Federation of Diabetes, Nutrition and Metabolic Disease, Arad, 10-12 November 2004.
- IInd Prize Poster session „AGORA DIABETOLOGICA” for „Autoimmune disease associated with tpe 1 Diabetes mellitus in children”, authors: Velea I., Popa I., Corina Paul, Ioana Zosin, Daniela Grecu. - The XXVIII National Congress of Diabetes Nutrition and Metabolic Diseases, with International participation, București, 15 – 18 mai 2002

Special results in the medical activity and research

- 2003 – On the occasion of the symposium "Recent acquisition in the treatment of the child with diabetes mellitus: the insulin pump and the glycemic sensor" organized in March 20-22, as a member of the medical team of IInd Pediatric Clinic- fthe irst pediatric clinic in Romania using insulin pump therapy for the treatment of type 1 diabetic children

Other medical/educational work

- As a **Vicepresident and Founding Member of the ENDOPED**, since 2010, with important contribution in the **organization of the Annual Scientific Meetings** with international participation and the continuous improvement of the scientific level of these events, including the Year Book printed annually on this ocasion (**UPDATE in Pediatric Endocrinology** – as a CO-editor).
- **Invited Speaker** at National and International Congresses and Courses in the field of Pediatrics and Pediatric endocrinology and diabetes, including:
 - 2024, Oct 2-5, Vintu de Jos, Pediatric Endocrinology Workshop
 - 2024, June 28-29 National Congres of Nutrition
 - 2024,march 7-9 Update in Endocrine ecography and Elastography
 - 2023 October 26-28, Timisoara The National Congress of Neuroendocrinology RPNES – (Romanian Society of PsychoNeuroEndocrinology
 - 2023 October 5-7, Brasov, Continue medical education workshop -of the Working Group for Pediatric Endocrinology of SRE(the Romanian Society of Endocrinology) – *Pediatric Endocrinology Worksho*
 - 2023, September 27-29, Sinaia National Congress of Pediatrics, "Management of the child with X-linked Phosphatemic Rickets"
 - 2023 May 6, Timisoara EDUSON Ultrasound workshop „General aspects of thyroid pathology. Basic training"
 - 2022 November 7-10, Timisoara, ENDOPED, The National Congress of Pediatric Diabetes Nutrition and Endocrinology
 - 2022 October 20-22 –Timisoara, National Symposium of Pediatric Pneumology /National Congres on Cystic fibrosis
 - 2022-February,24-26 Timisoara–Update in Endocrine Ultrasound and Elastography, Cours
 - 2021 November,11-12 BNPES – 5 th Meeting of the Bulgarian National Society for Pediatric Endocrinology (on-line)
 - 2021 June 11-12 Lyfestyle medicine in childhood- Conference of Family Medicine
 - 2020 April 3-6 National Conference of Pediatrics
 - 2020, December 10-11, Timisoara *Female endocrine infertility - Cours*
 - 2019 Noiembrie 22-23, Bucuresti – *Senzor Augmented Pump Therapy in type 1 Diabetes*
 - 2019 , October, 25-26 Timisoara , *Echography for endocrinologists*
 - 2018 December, 14-15, Timisoara – *Using technology in the care of type 1 diabetes – the insulin pump and glycemic sensors*
 - 2018 November 10, *Echography for endocrinologists*
 - 2018 Nvember 8-10 Plovdiv , Bulgaria- the 4th Meeting of the Bulgarian National Society for Pediatric Endocrinology
 - 2018- July 11-14,Cheile Gradistei/Fundata, Ro, Continue medical education workshop -of the Working Group for Pediatric Endocrinology of SRE(the Romanian Society of Endocrinology) – *Pediatric Endocrinology Workshop*.
